The Lair Of Raven:

The Lair of Raven Col Craig W Duehring Usaf, Craig Duehring, 2014-12-24 Ask any fighter pilot or Forward Air Controller from the Vietnam era and he ll tell you that he heard about it While the war in Vietnam ebbed and flowed with alternating violence and boredom there was a rumor of another war somewhere else where men flew long hours in propeller aircraft without markings into constant danger in a land where adventure reigned supreme where common sense replaced the hated Rules of Engagement and where a man could finally test the limits of his abilities These pilots were few in number and their call sign was Raven This is the wartime autobiography of one of the few pilots ever to fly under that now famous call sign Craig Duehring lived and flew out of the guerilla headquarters at Long Tieng Laos in support of the iconic Hmong leader Major General Vang Pao for a longer tour of duty than any other Raven During that time he knew many of the most notable Ravens and participated in many tragic events of the day including the famous St Valentine s Day Massacre This is the story of how one young man left the farm country of southern Minnesota and embarked on a career as an Air Force pilot during the height of the Vietnam War Equally as important as the combat he experienced is his personal triumph over repeated obstacles and near disasters to achieve his dream that will be a source of inspiration for young readers everywhere Do such challenges attract the best men or were they average men who were simply doing their personal best Judge for yourself

Raven s Revenge In a sequel to his award winning Raven s Honor and Raven s Fury Roy French returns with another tale of the Raven aka Daniel Riordan once the most feared of all paramilitary enforcers in Ireland When Riordan joins the firm run by a security specialist named Brian Featherstone Feather to his friends his first assignment takes him across the ocean to France where he is to act as an intermediary for a ransom delivery Through no fault of his own the handover goes horribly wrong and Riordan is wounded However he recognizes the kidnapper as Sean Wallace a hard case from his previous life and vows to track him down To do so he must return to the hinterlands of Belfast and seek out connections that have long lain dormant Many surprises lie in store for him and he finds himself being played like a pawn in a chess game He tracks down his prey and exacts revenge but just as he thinks he has resolved the case an assault comes from an unexpected quarter leaving a friend dead in its wake Angered by the deceptions and mis direction he discovers that Major Skinner the head of covert operations was behind the entire operation and used him deliberately as bait to kill Wallace Knowing the truth now makes Riordan a liability and the Major will stop at nothing to ensure that it does not surface But Riordan has one last surprise for the Major Once again French takes us on an adrenaline pumping ride with former friends becoming fervent enemies There is barely time to catch a breath before the pace accelerates and our hero is thrown into situations where it seems almost impossible for him to survive The action as always never lets up and the plot has more twists and turns than an Irish laneway
