Joshua and Lobsang once pioneered now fleets of airships link the stepwise Americas with trade and culture. Mankind is shaping the Long Earth but in turn the Long Earth is shaping mankind. A new America called Valhalla is emerging more than a million steps from Datum Earth with core American values restated in the plentiful environment of the Long Earth and Valhalla is growing restless under the control of the Datum government. Meanwhile the Long Earth is suffused by the song of the trolls, graceful hive mind humanoids. But the trolls are beginning to react to humanity's thoughtless exploitation. Joshua, now a married man, is summoned by Lobsang to deal with a gathering multiple crisis that threatens to plunge the Long Earth into a war unlike any mankind has waged before. **The**

writing celebrates the possibilities opened up by inventiveness and imagination. It constructs an ethical stance that values informed and self-aware choices, knowledge of the world in which one makes those choices, the importance of play and humor in crafting a compassionate worldview, and acts of continuous self-examination and creation. This collection of essays uses inventiveness and creation as a thematic core to combine normally disparate themes such as science fiction, studies of the effect of collaborative writing and shared authorship, steampunk aesthetics, productive modes of ownership, intertextuality, neomedievalism, and colonialism, adaptations into other media, linguistics and rhetorics, and coming of age as an act of free will. *The Long War Against God* Henry Morris, 2019-05-21 Darwin Challenged God's Word With Evolution But Was He The

Only One? Discover the old ongoing war against biblical truth. Dissect the origins of and arguments for atheistic thought. Determine what you can do to defend your faith. The denial of God is the root of every human problem, taking many forms over time, one of which is evolution. And this concept goes much farther back in time than we think. In *The Long War Against God*, the late Dr. Henry Morris, a renowned creationist, delves into the history of modern atheistic worldviews. Drawing from the writings of the Greeks, Babylonians, and other ancient philosophers, Morris demonstrates the long history and age of the plan to undermine God's Word. Whether it's evolutionism, humanism, pantheism, or atheism, Morris illuminates the past and present of these belief systems that seek to eliminate God. *The Long War Against God* will give you the tools you need to strengthen your own and others' faith in the battle for God's truth. *Unseen Academicals* Terry Pratchett, 2013-06-20
