Mr.Darcy's Second Chance Anja Bligh, 2023-06-16 Have you heard Mr Darcy is back After a long and mysterious absence Mr Darcy has returned to Pemberley from the Far East He is but a shell of the man who disappeared into the night after the death of his beloved Elizabeth three years ago The cloud of grief and self pity that hovers over him cannot even be dispelled by his own young daughter Eliza the last heir to his and Elizabeth s union whom he left in the care of his sister that terrible night The rumors in town go unanswered as the pale and withdrawn Darcy hides away resisting all attempts to reintegrate him into society His sister however is not so easily swayed and is determined to find him a wife and Eliza a mother of good repute and she has just the woman in mind Set about four years after the events of Pride and Prejudice Anja Bligh s Mr Darcy s Second Chance is a warm fascinating account of a love found for one of the most beloved characters of Victorian romance

In the Tower with Mr. Darcy Valerie Lennox, Once upon a time a girl was captured by a madwoman and imprisoned in a tower Lady Catherine de Bourgh is rumored to have been carried away by grief over the death of her daughter Anne When Elizabeth

Bennet is visiting her friend Charlotte in Kent she hardly expects to be abducted by the woman and imprisoned in a tower a replacement for the dead Anne de Bourgh herself Forced to wear Anne s old clothes and to answer to her name Elizabeth does everything she can to escape from her prison but Lady Catherine s madness is impenetrable When Mr Darcy arrives to visit his aunt Elizabeth tries to signal him from the tower window and he sees her but it is all for naught when he too is dragged to the tower and imprisoned After all Lady Catherine always did have plans for Mr Darcy and her daughter But these plans she is carrying out now they are dark and despicable Elizabeth and Mr Darcy fear they may not get out alive And they only have each other to rely on This Rapunzel retelling is part of the Happily Ever Collection a series of novels that puts together Pride and Prejudice and fairy tales This is a Regency Era retelling with no paranormal elements but it is exceedingly gothic and owes a great deal to the grimmer aspects of the Grimm Brothers tale Readers who like high stakes a healthy dollop of angst and just a hint of heat will likely find this is just what they ve been looking for Mr. Darcy's Little Sister C. Allyn Pierson,2010-09-01 Pride and Prejudice continues Georgiana Darcy grows up and goes in pursuit of happiness and true love much to her big brother s consternation A whole new side of Mr Darcy He s the best big brother generous to a fault Protective never teases But over his dead body is any rogue or fortune hunter going to get near his little sister Unfortunately any gentleman who wants to court Georgiana is going to have the same problem So how s a girl ever going to meet the gentleman of her dreams *Mr. Darcy's Courtesan* Valerie Lennox,2019-03-31 When Mr Fitzwilliam Darcy hears that Miss Elizabeth Bennet is about to become mistress to another man he is appalled It has been five years since Miss Bennet spurned his proposal but he has never quite gotten the proud beauty out of his head Mr Darcy knows that the Bennets have fallen on hard times Her father has been dead for years now and they make their way on their own Mr Darcy seeks Miss Bennet out resolving to do whatever is necessary to help her including paying back the mountain of debt that her late mother left behind But Miss Bennet is still proud She refuses his charity When he opens his mouth to convince her that she must change her mind he finds himself making her a different offer altogether A scandalous offer A dishonorable offer **The British Country House Revival** Ben Cowell,2024 British country houses have experienced a renaissance since the early 1970s A new accord is needed today recognising the increasingly contested contribution of country houses to British cultural life Fifty years ago the future for country houses in Britain looked bleak The Victoria Albert Museum s exhibition The Destruction of the Country House which opened in October 1974 charted the loss of over a thousand country houses in the preceding century The makers of the exhibition warned that history could be about to repeat itself because of the threats besetting mansion properties principally from higher taxation Houses faced the prospect of having to be stripped of their collections and sold for use as offices hotels or hospitals with their parks and gardens turned into golf clubs Government might afford to save just a handful of the most significant of these places working in tandem with charities such as the National Trust The rest would be consigned to history This book traces the history of country houses in Britain from the Destruction exhibition to

the present day The wave of country house losses anticipated in 1974 never actually happened Instead over the next five decades Britain s country houses experienced a renaissance Fiscal rules changed in the mid 1970s to make it easier for owners to hold on to their assets Economic improvements in the 1980s and 1990s allowed many houses and estates to develop profitable commercial businesses All of this was achieved only after dedicated campaigning from heritage organisations in support of the country house cause The book argues that a new accord is needed today to recognise and value the ongoing if increasingly contested contribution of country houses to British life and culture in the twenty first century
