To The Wounded Warrior:

Letters to the Wounded Warrior Steve Porter, Diane Porter, 2014-11-11 Even good soldiers might take bullets and collapse in defeat or disgrace In the same way millions of men and women in our world have been injured in spiritual warfare and are now lying wounded on the field But God is raising up medics healers who are equipped with compassion and grace Wounded warriors need grace driven stretcher bearers healers and cheerleaders who believe in restoration and healing and are committed to helping them rise to fight again It is our desire for this book to do just that The enemy who entraps the vulnerable can be overthrown but we must also have a strategy to rescue those taken hostage or left wounded on the battlefield God has a loving message of healing and restoration for His church I will never give up on you no matter how desperate your need I am here for you with a plan to raise you up **Hearing to Examine the Implementation of**

author Dr Charles Garbarino recounts his journey of recovery and rebirth following open heart surgery He reveals his innermost thoughts and feelings from his reaction to receiving the unexpected news that he required cardiac bypass surgery to his subsequent depression and suicidal thoughts He openly wonders why God gave him this burden to carry but finally decides not to just survive his heart attack but to embrace life and live it to the fullest One Heart also recounts the experiences of others from people who have had cardiac setbacks to those who have lost loved ones in catastrophic natural disasters to our military troops who have given the ultimate sacrifice This memoir is about life and its many components focusing primarily on the heart both emotionally and physically Its underlying theme is to embrace life by understanding how to move ahead when challenges cross your path whether you are facing the loss of a child or the discovery of a medical crisis One Heart Embrace Life celebrates the many facets of life and the importance of a life well lived It follows Dr Garbarino through each step along the path to recovery and includes contributions from health and religious professionals The lessons are priceless The journey is like no other Get ready for a book that will change the way you look at things forever All proceeds of One Heart Embrace Life will benefit the American Heart Association **Proceedings of the ...
