Stand Up From Sanity to Insanity Kim Smalls,2017-09-07 Kim L Smalls was born to the late Mr and Mrs Robert L Smalls as a baby boomer She was educated by the public school system when prayer was a part of their protocol She was baptized at the tender age of seven Kim later received her Bachelor of Science degree at New York Institute of Technology in 1979 and majored in Sociology She was a Case Manager by profession lived the life of parties drugs tobacco and alcohol which included the riotous living of men At the age of twenty she gave birth to her daughter Nikeya Kim is loving kind and generous to a fault She is humble lowly and often taken advantage of by most as a prodigal child of God She was living and learning the hard life of schizophrenia God is an active part of Kim s life She has been delivered set free and completely sold out to Jesus as a child of God since the year of our Lord 2000 Will the real King assassin please stand up from sanity to insanity sowed while her Christian experience flourished to the height of the Antichrist Kim could not stand alone in the truth of her sanity as she believed the government waged war Kim s pursuit of justice was pending and loomed forward redeemed by the Highest God Terrorism and her black skin mattered against the forces of evil The powers of darkness again victimized the late great Reverend Dr Martin King Jr and Kim was a witness This is her testimony dared to be given in church and on the couch due to expletives and another new millennium *A Revival of Hope in the Genuine Christ* Gary R. Goetz,2013-12-10

What in the world has gone wrong and how will it be set right America is in a moral and economic crisis Political action by itself will not reverse this moral and economic decline In times past Christian revivals occurred before a crisis in American history such as the Revolutionary and the Civil War What were the characteristics of Christian revivals in past history Can a national revival happen again or are we too close to the end times Prophetic events relate in practicality to revival in the church today because the believers hope lies in the future revelation of the genuine Christ History is repeating itself Neo democracy leading to an imperial form of the continuing Roman Empire is the rising form of government today and it will rule at the end of the age Arguments will be given for the identity of the genuine Christ The order of prophetic events will be

delineated leading to the genuine new age along with the events that follow such as the rebellion of Satan and the Great White Throne Judgment **Will the Real Jesus Please Stand Up!** Robert McClelland,2014-10-28 In a world where the God hypothesis is no longer necessary today's Church may offer skeptical Seekers a Jesus Story that no longer connects with their lives Nevertheless their honest questions are to be valued and honored by the Church because they keep us honest and make us rethink the relevancy of our faith Today's world is asking if there is any Reality to the Jesus about whom we speak and if so would he please stand up It is my contention that faith in God does not depend upon proof of his existence as much as what that God's attitude is toward us While the Good News proposed by Christian Faith is that God's attitude was definitively displayed in Jesus I am suggesting that our Jesus Story must take the Apostle Paul's understanding of Reconciliation seriously God too has to pay the price of Sin He is part of the problem of our alienation and neither we nor God can escape its consequences Therein lies the POWER I believe of the Jesus Story to hold the attention of today's Seeker Jesus not only died for our sins he died for God's Sin as well Our Sin was our disobedience God's Sin was his Ignorance It is Paul who getting his message directly from the Risen Christ sees this most clearly Paul wants us to understand that God was in Christ's life and death reconciling the world to himself not just forgiving us Unlike the Jesus Story told by today's Church Paul sees God's Grace as much more amazing than mere payment for our peccadilloes **Will the Real Jesus Please Stand Up?** William Lane Craig,John Dominic Crossan,William F. Buckley (Jr.),1998 Based on a debate between John Dominic Crossan codirector of the Jesus Seminar and evangelical William Lane Craig with responses from experts in Jesus studies

Connecting Christ Paul Louis Metzger,2012-05-07 We live in a multifaith society an ever growing diverse cultural climate where no religion is viewed as having a monopoly on truth It is important when that Christ followers not only share the Word of God but also listen and learn how to interact meaningfully with those of diverse perspectives as we engage in life's most important conversations Connecting Christ encourages believers to be not only better communicators and witnesses but also listeners to people of other worldviews and traditions skills that are crucial in defending against today's negative connotations and ineffective approaches associated with Christian evangelism With extensive commentary from leaders of various walks of faith and life from Judaism to Islam and Buddhism to atheism theologian and author Dr Paul Louis Metzger offers a spiritual compass to help navigate the intimidating yet critical dialogue of conveying our faith in Christ Filled with practical guidance and insight into controversial topics such as hell fascism and homosexuality Connecting Christ reveals that there is a way of evangelizing that is neither disengaging monologue nor silent lifestyle ministry but is instead an approach for evangelism and dialogue to go hand in hand We must remove ourselves as the stumbling block to salvation for others and embrace a way to proclaim the uncommon compassionate God revealed in Jesus Christ the Savior this world is dying to know **Will the Real Jesus Please Stand Up?** Matthew Richard (Rev. Dr.),2017 In our culture of personalization where everything is customizable Jesus is often reworked into what each individual wants Him to be Jesus is aligned to a

person's agendas and dreams making it easier for him or her to agree with Him Will the Real King Arthur Please Stand Up? McNeil, 2003-07 I write to you through Bassa of the Niger Congo family western Sudanic subgroup and the Kwa branch of Africa The Bassa are an African people The central theme of this book is that the Bassa have a form of government which shows Bassa people can govern themselves and that they have done so from time immemorial until the interjection of alien leadership philosophy Non Africans should be dissuaded from their concept of African inability to govern themselves Bassa history and leadership shows one aspect of African leadership as well as contributions to human leadership Presenting the Bassa leadership to the world is a clarion call for all Africans to look to their traditional route to design a form of government that fits their culture
