Ordinary Miracles Molly Hawkins, 2013-02-28 When Norman and Molly Hawkins visited a little full gospel church in the tiny village of South Chard in Somerset England in 1968 little did they know then what an incredible life's journey awaited them as a result This book is an account of some of the true and amazing miracles they and others experienced after encountering Almighty God through His Son Jesus Christ To some they sound unbelievable but to our extraordinary God they are simply ordinary miracles

Ordinary Miracles Deborah Labovitz, 2003 Find out how people have learned to cope with their troubles and have become stronger by the very act of overcoming obstacles and surviving catastrophes These are their stories written by the people who lived them their families or those who helped them save the day

Ordinary Miracles Angela Dudley, 2011-10-31 We walk to God how wondrous our task Simple truth no questions left to ask We walk to God an awesome holy thing Our open hearts are all were asked to bring Ordinary Miracles is an oxymoron in a world where peace seems unreliable and prayers seem unanswered But what if the real world exists where miracles are the norm Miracles of joy and forgiveness always occur within our minds and their external form may or may not be apparent to us However since miracles always come from love they always offer an inner experience of bliss The love that causes miracles is only ordinary because it is always present within us Miracles are ordinary because they are our true nature not a bonus that was earned by someone extra ordinary No matter how successfully we've hidden our inner spark of love it remains with us always the truth of who we are always awaiting our consent to offer miracles The poetry of Ordinary Miracles is the author's response to the inner Voice for God what she calls the Holy Spirit Inspired by A COURSE in MIRACLES these poems celebrate the truth that we always have a choice to invest ourselves in thoughts of kindness rather than criticism happiness rather than sorrow But whatever we choose we cannot change the magnificent reality of what we are The poems are written as an acknowledgment that the Voice for God offers a very personal relationship with each of us The Voice for God is always patient always answers always loves us and to our little effort adds the strength of God In the COURSE Jesus reminds us Love waits on welcome not on time Text chapter 13 The most profound journey we each make is to that place within where God patiently awaits our certain return

Ordinary Miracles Krissi Marie McVicker, 2012-03-29 When approximately 340 babies are born every minute worldwide or nearly 490 000 births per day 1 conception seems to be quite an ordinary occurrence Well for the fertile world anyway But for Krissi and her husband Rob having a baby was almost impossible No one dared to say they were infertile not even their doctors And suddenly the deep ultimate fear of never being completely fulfilled kept them awake night after night But giving up was not an option Krissi and Rob were soon immersed into in vitro fertilization their only chance for success It was a world of hormone injections countless blood tests anxiety and exhaustion all mixed with hope IVF represented both an amazing wonderful medical advancement and a demanding frightening regimen with no guarantees and often heartache Whether or not you've struggled with infertility Krissi's journey will touch your heart with its honesty and

Miles,2024-05-28 St Augustine was known as a theologian of feeling for many centuries Renaissance painters pictured him holding his passionately blazing heart in his hand In Augustine s society and education feeling was considered an intimate and integral aspect of thinking so intimately interwoven that philosophers struggled to distinguish these activities Thus Augustine was also committed to learning throughout his passionate and thoughtful life from his early conviction that God and the soul can be known through the meticulous use of reason to mature

sermons in which he quoted God is love and commented in effect that is all you need to know about God The role of feeling in his understanding of the effect of Christian doctrines on present life has been less noticed This book proposes that changes in his perception of the value and significance of human bodies from objects of rapacious lust to rapturous admiration of their beauty form the nexus within which Augustine's thought and feeling cohere The old Augustine's understanding of the theological significance of present bodies informed his acknowledged speculations on the qualities and capacities of beautiful bodies nunc et tunc *Ordinary Miracles* Linda Crew, 1993 With the warmth of Alice Hoffman the realism of Nancy Thayer and the compassion of Gail Godwin Linda Crew captures both the joy and despair of daily life in a voice that is uniquely her own Betsy Bonden wants a baby very badly but the verdict of infertility plunges her and her husband into a rocky situation until their efforts finally pay off with a magical childbirth
