Ács,László Szerb,2011 If the key to future global economic growth is the spread of innovation and entrepreneurship in the developing world how can that spread be encouraged This book determines the conditions that favour entrepreneurship devises a way to measure them and then assesses the gaps and improvements needed in each country

**Strategic Management** Gregory G. Dess,Theodore Peridis,G. T. Lumpkin,2005-12 Your Competitive Advantage for Strategic ManagementRising to the top in any business involves getting others to recognize your value This is your competitive advantage In the business of strategic management your first lesson in gaining a competitive advantage is choosing the right textbook Strategic Management Creating Competitive Advantages helps you rise to the top more quickly and more securely climbing the ladder of success rung by rung and avoiding missteps on your way up Organized around the traditional sequence of topics and concepts in strategy the Canadian Edition of Strategic Management Creating Competitive Advantages focuses on contemporary topics in intellectual capital entrepreneurship globalization and ethics giving each step equal consideration With a schematic chapter map and chapter objectives designed to keep you oriented and real life examples and cases developed to give you a view of how strategic management is done rightly and wrongly in Canadian and world business this Canadian Edition is your guide to climbing the ladder to success

**Global Entrepreneurship and Development Index 2013** Erkkó Autio,2013-01-01 Acclaim for the 2011 edition The Global Entrepreneurship and Development Index focuses on high growth companies It tries to measure the ambition of entrepreneurs as well as the prevalence of start ups It presents its results in ways that are designed to capture the attention of policymakers It produces a ranking of 71 countries for all their faults nothing makes a politician jump like a league table It also identifies bottlenecks that prevent countries from doing better The index concludes that development and enterprise are correlated The Economist The Global Entrepreneurship and Development Index both captures the context features of entrepreneurship and fills a gap in the measurement of development Building on recent advances in entrepreneurship and economic development the authors have created an index that offers a measure of the quality of the business formation process in 118 of the most important countries in the world The authors expertly capture the contextual feature of entrepreneurship by focusing on entrepreneurial attitudes entrepreneurial abilities and entrepreneurial aspirations The data and their contribution to the business formation process are supported by three

decades of research into entrepreneurship across a host of countries The unique index construction of individual and institutional measures integrates 31 variables from various data sources into 14 pillars three sub indexes and a super index The relationship between entrepreneurship and economic development appears to be more or less mildly S shaped The findings suggest moving away from simple measures of entrepreneurship across countries illustrating a U shaped or L shaped relationship to more complex measures which are positively related to development The model has important implications for development policy This unique book will be invaluable for researchers policymakers and entrepreneurs keen to expand their understanding of entrepreneurship and development      **Flying Too Close to the Sun** Sveinn Vidar Gudmundsson,1998 This book examines the causes of failure of most new entrant airlines and the environment they operate in Much attention is given to the new entrant s strategy and management in order to explore past deficiencies and pave the way for successful new strategies Recent new entrant airlines are examined      Strategic Management Michael A.
