You're a Vampire - That Sucks! Domenick Dicce,2015-10-13 Being bitten by and turned into a vampire isn t the glitz and glamor that Hollywood makes it out to be In fact one out of five newly turned vampires will succumb to a slew of easily avoidable and common pitfalls within their first few months as a nightwalker tempting garlic laced Italian food silver jewelry and anything with an SPF below 1 000 will have to go As an answer to this tragic loss of undead life Count Domenick Dicce has written the definitive how to guide that just

might save your pale ice cold skin This helpful tome will cover everything from Vampire 101 such as hunting feeding and getting used to your new powers to Vampire Graduate Studies such as coffin selection the ghoulish world of vampiric social hierarchy and the universal Laws of the Vampire This humorous and giftable guide will be perfect for you or the vampire nut in your life complete with illustrations throughout **Awkward.** Sam Scholfield,2011-08-09 No One Is Safe from Awkward Ending a first date that falls flat Drunk texting your boss Walking in when your roommate is getting it on Running into the person you just dumped in the grocery store an hour after it went down Awkward bombs can drop anytime anywhere and with anyone people you don t know people you see occasionally and people you see every day They can sneak up on you and explode in the most unexpected of places so they re basically impossible to avoid The vast majority of us don t have the wherewithal to gracefully handle the truly and totally awkward as it unfolds We only realize what we should have said after the fact when the damage has already been done and we re a hot mess of embarrassment red ears and nervous sweat stains But author Sam Scholfield has survived more than two decades of embarrassing encounters and now in an act of extreme generosity has set down a wealth of witty comebacks surefire distraction techniques and suave evasion strategies so that future generations may take heed and dodge the Awkward Monster before it strikes So how do you avoid the epic cluster of drama that can result when awkward situations are handled badly You read this book Saga #36 Brian K.

Vaughan,2016-04-27 Freedom **Taming the Serpent** Michael G. Malpass,2022-06-29 Law enforcement has been increasingly under fire in the media for what we believe is unnecessary police violence But few have suggestions as to what we can do about it There is a noticeable gap between the way officers are trained and how the brain processes information in the stressful and risky situations which police work Training arguably no longer prepares our officers for how to effectively deal with these situations But with advancements in neuroscience we could finally have the answer We can guide modern training for better decision making and performance under life threatening stress and pressure for the good of police officers and the public Taming the Serpent brings the research about neuroscience and law enforcement together showing how we can revolutionise modern law enforcement *Handbook of the Sociology of Sexualities* John DeLamater,Rebecca F.
