Why Mugabe Won Stephen Chan, Julia Gallagher, 2017-06-09 This book examines the key events personalities and wider socio political context that led to Mugabe's victory in the 2013 Zimbabwean elections

Financial Inclusion Regulatory Practices in SADC Howard Chitimira, Tapiwa Warikandwa, 2023-05-25 Against a background of calls to prioritise the improvement of financial inclusion in Africa this book provides an analysis of current financial inclusion measures in Southern Africa Evaluating the existing strengths and weaknesses of financial inclusion in Africa it identifies opportunities to improve inclusive financial services and aid poverty reduction in the region With a focus on South Africa Namibia Botswana and Zimbabwe as case studies for assessing current financial inclusion in the context of particular challenges faced by unbanked and underbanked customers who are easy targets for cybercriminals due to low levels of digital literacy it looks into the regulation and promotion of financial inclusion in Southern Africa The book explores financial inclusion in the context of digital transformation in the 21st century examining the regulation and promotion of financial inclusion in the context of digital transformation as well as the challenges related to financial inclusion Suggesting improvements to aspects of company law securities and financial markets in the Southern African Development Community region the book offers a comprehensive study on the regulation and promotion of financial inclusion in the Southern African Development Community region It will be essential reading for students and academics researching financial inclusion international economic law and development

The Routledge Handbook of Disability in Southern Africa Tsitsi Chataika, 2018-07-27 This comprehensive ground breaking southern African centred collection spans the breadth of disability research and practice Reputable and emerging scholars together with disability advocates adopt a critical and interdisciplinary stance to prove challenge and shift commonly held social understanding of disability in traditional discourses frontiers and practices in prominent areas such as international development disability studies education culture health religion gender sports tourism ICT theatre media housing and legislation This handbook provides a body of interdisciplinary analyses suitable for the development of disability studies in southern Africa Through drawing upon and introducing resources from several disciplines theoretical perspectives and personal narratives from disability activists it reflects on disability and sustainable development in southern Africa It also addresses a clear need to bring together interdisciplinary perspectives and narratives on disability and sustainable development in ways that do not undermine disability politics advanced by disabled people across the world The handbook further acknowledges and builds upon the huge body of literature that understands the social cultural educational psychological economic historical and political facets of the exclusion of disabled people The handbook covers the following broad themes Disability inclusion ICT and sustainable development Access to education from early childhood development up to higher education Disability employment entrepreneurship and community based rehabilitation Religion gender and parenthood Tourism sports and accessibility Compelling narratives from disability activists on societal

attitudes toward disability media advocacy accessible housing and social exclusion Thus this much awaited handbook provides students academics practitioners development partners policy makers and activists with an authoritative framework for critical thinking and debates that inform policy and practice in incomparable ways with the view to promoting inclusive and sustainable development Yearbook of International Organizations 2013-2014 (Volumes 1a-1b) Union Of International Associations, Union of International Associations, 2013-06-21 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events African Music, Power, and Being in Colonial Zimbabwe Mhoze Chikowero, 2015-11-24 In this new history of music in Zimbabwe Mhoze Chikowero deftly uses African sources to interrogate the copious colonial archive reading it as a confessional voice along and against the grain to write a complex history of music colonialism and African self liberation Chikowero's book begins in the 1890s with missionary crusades against African performative cultures and African students being inducted into mission bands which contextualize the music of segregated urban and mining company dance halls in the 1930s and he builds genealogies of the Chimurenga music later popularized by guerrilla artists like Dorothy Masuku Zexie Manatsa Thomas Mapfumo and others in the 1970s Chikowero shows how Africans deployed their music and indigenous knowledge systems to fight for their freedom from British colonial domination and to assert their cultural sovereignty Press Silence in Postcolonial Zimbabwe Zvenyika Eckson Mugari, 2020-03-24 This book focuses on news silence in Zimbabwe taking as a point of departure the in famous blank spaces whiteouts which newspapers published to protest official censorship policy imposed by the Rhodesian government from the mid 1960s to the end of that decade Based on archived news content the author investigates the cause s of the disappearance of blank spaces in Zimbabwe's newspapers and establishes whether and how the blank spaces may have been continued by stealth and proposes a model of doing journalism where news is inclusive just and less productive of blank spaces The author explores the broader ramifications of news silences tacit or covert on society's sense of the world and their place in it It questions whether and how news media continued with the practice of epistemic deletions and continue to draw on the colonial archive for conceptual maps with which to define and interpret contemporary postcolonial realities and challenges in Zimbabwe This book will be of interest to scholars researchers and academics researching the press in contemporary Africa critical media analysis media and society studies and news as discourse Flows and Practices Mehta, Lyla, Derman, Bill, 2017-05-19 For the past two decades Integrated Water Resources Management IWRM has been the dominant paradigm in water resources This book explores how ideas of IWRM are being translated and adapted in Mozambique South Africa Tanzania Uganda and Zimbabwe Grounded in social science theory and research it highlights the importance of politics history and culture in shaping water management practices and reform and demonstrates how Africa has clearly been a laboratory for IWRM While a new cadre of professionals made IWRM their mission we show that poor women and men may not have always benefitted In some cases IWRM has also offered a distraction from more critical issues such as water and land grabs privatisation the

negative impacts of water permits and a range of institutional ambiguities that prevent water allocations to small and poor water users By critically examining the interpretations and challenges of IWRM the book contributes to improving water policies and practices and making them more locally appropriate in Africa and beyond 2013 Global Food Policy Report

authoritative source for finding complete facts and analysis on each country's governmental and political makeup. Compiling in one place more than 200 entries on countries and territories throughout the world, this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system. It also provides names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and UN agencies. And this annual update includes coverage of current events, issues, crises, and controversies from the course of this year. *Ending Africa's Energy Deficit and the Law* Yinka Omorogbe, Ada Okoye Ordor, 2018. With the inclusion of access to energy in the sustainable development goals, the role of energy to human existence was finally recognized. Yet in Africa, this achievement is far from realized. Omorogbe and Ordor bring together experts in their fields to ask what is stalling progress, examining problems from institutions catering to vested interests at the continent's expense to a need to develop vigorous financial and fiscal frameworks. The ramifications and complications of energy law are labyrinthine; this volume discusses how energy deficits can burden disabled people, women, and children in excess of their more fortunate counterparts, as well as considering environmental issues including the delicate balance between the necessity of water for drinking and cleaning and the use of water in industrial processes. A pivotal work of scholarship, the book poses pressing questions for energy law and international human rights. **Britannica Book of the Year 2010** Encyclopaedia Britannica, Inc., 2010-03-01. The Britannica Book of the Year 2010 provides a valuable viewpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever-changing populations, governments, and economies throughout the world. It is an accurate and comprehensive reference that you will reach for again and again.
