Damages in Investor-State Arbitration Irmgard Marboe, 2018-05-15 Damages in Investor State Arbitration Current Issues and Challenges addresses specificities of the assessment of damages in investor state disputes reflecting the tensions between the sovereignty and self determination of states and their legal obligations towards foreign investors These tensions are primarily present in the context of compensation for expropriation but other commitments of host states undertaken in bilateral investment treaties and contracts with foreign investors may also be in conflict with changing political and economic circumstances With this background the calculation of damages becomes a complex endeavor in each case The lack of valuation principles that are uniformly accepted and implemented leads to uncertainty and unpredictability in practice The present analysis tries to identify the most important issues and challenges such as the choice of the valuation date appropriate valuation methods moral damages and the awarding of interest

Radical Solutions for Education in Africa Daniel Burgos, Jako Olivier, 2021-08-02 This book explores the state of open education in terms of self directed learning on the African continent Through a combination of conceptual systematic literature review and empirical chapters readers will get a research based impression of these aspects in this area Apart from presenting existing wider trends regarding open education this book also reports on effective open practices in support of self directed learning

Cyclones in Southern Africa Godwell Nhamo, David Chikodzi, 2021-09-28 Tropical cyclones in Southern Africa also known as hurricanes or typhoons in other regions of the world is a hot subject for academic research This focus has been magnified by the need to consider tropical cyclones in the context of other global development agendas that includes the 2030 Agenda for Sustainable Development and its inseparable 17 Sustainable Development Goals SDGs the Paris Agreement the Sendai Framework for Disaster Risk Reduction and Habitat III s New Urban Agenda The ambitious SDGs challenge global and community leaders to make sure development addresses the nexus among poverty inequality and employment creation as well as care for the earth and its natural resources and biodiversity The SDGs further present an agenda to eradicate hunger bring quality education and sustain water and sanitation The infrastructure development human settlements sustainable consumption and production climate change biodiversity and the ocean blue economy agendas are also pitched Lastly the 2030 Agenda for Sustainable Development encourages partnerships on delivering various programmes and projects at all spatial levels However as tropical cyclones continue to make multiple landfalls and ravage Southern Africa and other parts of the world the achievement of the 2030 Agenda for Sustainable Development is threatened To this end this book addresses this gap by documenting the implications of tropical cyclones drawing examples and case studies from recent tropical cyclones such as cyclone Idai and cyclone Kenneth that resulted in catastrophic impacts in 2019

The book comes as part of a series with three volumes The other volumes include Cyclones in Southern Africa Vol 1 Interfacing the Catastrophic Impact of Cyclone Idai with SDGs in Zimbabwe and Cyclones in Southern Africa Vol 2 Foundational and Fundamental Topics Given the foregoing the book is suitable as a read for several professionals and disciplines such as tourism and hospitality studies economics sustainable development development studies environmental sciences arts geography life sciences politics planning and public health **Emerging Infectious Diseases** ,2015-07

Political Violence John A. Does,2024-11-08 Examining the role of elections and top down democracy promotion in Africa this book focuses on how and why electoral contests are associated with division and violence It considers whether the Western political model has failed developing countries in what ways and how this has affected people s lives **Crustal Evolution of India and Antarctica** N.C. Pant ,S. Dasgupta ,2017-10-13 The Proterozoic aeon involved at least three major continental readjustments India and Antarctica appear in most models of supercontinent reconstructions but their relative position has been the subject of debate High resolution petrological and geochronological data especially from the Proterozoic mobile belts provide the principal means of resolving this issue The ice covered nature of Antarctica allows only limited access to the rocks and then only in coastal tracts so detailed studies in more accessible Proterozoic terrains in India assume added significance This volume a follow up to the XII International Symposium on Antarctic Earth Science Goa a SCAR symposium provides new data from selected locations in east Antarctica Enderby Land and Dronning Maud Land and from India including the Eastern Ghats Mobile Belt EGMB Chota Nagpur Gneissic Complex the Khasi Hills and the Aravalli Delhi Mobile Belt The presented geochronological data constrained by petrological studies are expected to provide new insights especially into the EGMB east Antarctica connection and the rate of continental readjustments in the post Rodinia break up *From Human Trafficking to Human Rights* Alison Brysk,Austin Choi-Fitzpatrick,2012-01-31 Over the last decade public political and scholarly attention has focused on human trafficking and contemporary forms of slavery Yet as human rights scholars Alison Brysk and Austin Choi Fitzpatrick argue most current work tends to be more descriptive and focused on trafficking for sexual exploitation In *From Human Trafficking to Human Rights* Brysk Choi Fitzpatrick and a cast of experts demonstrate that it is time to recognize human trafficking as more a matter of human rights and social justice rooted in larger structural issues relating to the global economy human security U S foreign policy and labor and gender relations Such reframing involves overcoming several of the most difficult barriers to the development of human rights discourse women s rights as human rights labor rights as a confluence of structure and agency the interdependence of migration and discrimination the ideological and policy hegemony of the United States in setting the terms of debate and a politics of global justice and governance Throughout this volume the argument is clear a deep human rights approach can improve analysis and response by recovering human rights principles that match protection with empowerment and recognize the interdependence of social rights and personal freedoms Together contributors to the volume conclude that rethinking

trafficking requires moving our orientation from sex to slavery from prostitution to power relations and from rescue to rights

On the basis of this argument *From Human Trafficking to Human Rights* offers concrete policy approaches to improve the global response necessary to end slavery responsibly Gender and Climate Change Joane Nagel,2015-09-25 Does gender matter in global climate change This timely and provocative book takes readers on a guided tour of basic climate science then holds up a gender lens to find out what has been overlooked in popular discussion research and policy debates We see that around the world more women than men die in climate related natural disasters the history of science and war are intimately interwoven masculine occupations and preoccupations and conservative men and their interests drive the climate change denial machine We also see that climate policymakers who embrace big science approaches and solutions to climate change are predominantly male with an ideology of perpetual economic growth and an agenda that marginalizes the interests of women and developing economies The book uses vivid case studies to highlight the sometimes surprising differential gendered impacts of climate changes **Journal of the Senate of the United States of America** United States. Congress. Senate,1979 Food Safety Standards in International Trade Onsando Osiemo,2016-09-15 Food safety has become a major concern for consumers in the developed world and Europe in particular This has been highlighted by the recent spate of food scares ranging from the BSE mad cow crisis to Chinese melamine contamination of baby formula To ensure food safety throughout Europe stringent food safety standards have been put in place from farm to fork At the same time poor African countries in the COMESA rely on their food exports to the European market to achieve their development goals yet have difficulty meeting the EU food safety standards This book examines the impact of EU food safety standards on food imports from COMESA countries It also critically examines both EU and COMESA food safety standards in light of the WTO SPS Agreement and the jurisprudence of the WTO panels and Appellate Body The book makes ground breaking proposals on how the standards divide between the EU and the COMESA can be bridged and discusses the impact of EU food safety standards on food imports from poor African countries *Report of the Auditor-General for the Financial Year Ended ...* Zimbabwe,2015 **Parliamentary Debates (Hansard).** Great Britain. Parliament. House of Commons,2002 *State Fragility and Resilience in sub-Saharan Africa* John Idriss Lahai,Isaac Koomson,2020-02-18 This book focuses on the indicators of fragility and the resilience of state led interventions to address them in sub Saharan Africa It analyzes the figure of fragile states as the unit the analysis and situates the study of fragility governance and political adaptation within contemporary global and local political economic and socio cultural contexts The chapters offer an indispensable econometrically informed guide to better understanding issues that have an impact on fragility in governance and nation building and affect policy making and program design targeting institutions in various circumstances These issues as they relate to the indicators of fragility are the contexts and correlates of armed conflicts on statehood and state fragility the poverty trap pandemics and household food insecurity and child labor Case studies from across 46 sub Saharan African SSA

countries are assessed to offer clear broad and multidisciplinary views of what the future holds for them and the international donor communities at large Regarding state led interventions the authors utilize insightful statistical methods and epistemologies to explain the correlates of behavioral language frames and conflict de escalation on battle related deaths across the conflict zones within the sub region the regional and country level interventions to end child labor the institutional frameworks and interventions in the advancement of food security and health This book will be of interest to scholars of economics development politics in developing countries Area and African Studies peace conflict and security studies

Downloading Zimsec Examination Timetable June 2015 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Zimsec Examination Timetable June 2015 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Zimsec Examination Timetable June 2015. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Zimsec Examination Timetable June 2015. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Zimsec Examination Timetable June 2015, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Zimsec Examination Timetable June 2015 has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
