## **ZINN CHAPTER 1**

1. According to Zinn, what is his main purpose for writing *A People's History of the United States*?

A: to tell vivid descriptions in history that usually gets ignored.  
Zinn tries to bring out the positive part in the truth.

2. What is Zinn's thesis for pages 1-11?

A: Zinn's thesis is to not grieve for the victims and denounce the executioners.

3. According to Zinn, how is Columbus portrayed in traditional history books?

A: As a great hero that discovered the Americas but was willing to do anything to get what he wanted.

4. Why does Zinn dispute Henry Kissinger's statement: "*History is the memory of states*?"

A: because Zinn thinks that we must not accept the memory of states as our own. Zinn's argument was not against selection, simplification, and emphasis, but his argument was against the mapmakers distortion. Zinn says that it is a technical necessity for a common purpose shared by all who need maps.
