Zombie Reign 2: Rescue in Detroit (B&W VERSION) Joseph Edward,2013-03-16 My name is Scott Griffin Griff for short I used to be a suburban Detroit police officer When I refer to my profession in the past tense it isn't because I stopped being a cop It wasn't the economy that took my life's love and profession from me although I would have preferred it that way I used to be a husband to a wonderful and beautiful wife with a house in the suburbs All of that was lost collateral damage to the indiscriminate evils of the virus No one knows exactly where this virus started but no one has been immune from its overwhelming destruction The virus assimilates the living and mutates them into the walking dead creating zombies who only have one purpose and that's to hunt and feast on warm human flesh I am continuing my journal to document how we are surviving day by day I want to make sure that mistakes we make along the way aren't repeated while at the same time I hope to pass some of our survival techniques along What seems common sense at one moment may become a monumental error the next with people paying the price with their lives I lost my best friend and partner Bobby I have lost my loving wife Kate and our unborn child I am now a man with nothing else to lose but my own life which I refuse to forfeit in order to help rescue those loved ones who may still have a fighting chance of survival Hopefully we will find more survivors and secure a place somewhere that we can feel somewhat safe and come out of hiding This is our story Zombie Reign 2 Joseph Edward,2013-02-19 My name is Scott Griffin Griff for short I used to be a suburban Detroit police officer When I refer to my

profession in the past tense it isn't because I stopped being a cop. It wasn't the economy that took my life's love and profession from me although I would have preferred it that way. I used to be a husband to a wonderful and beautiful wife with a house in the suburbs. All of that was lost collateral damage to the indiscriminate evils of the virus. No one knows exactly where this virus started but no one has been immune from its overwhelming destruction. The virus assimilates the living and mutates them into the walking dead creating zombies who only have one purpose and that's to hunt and feast on warm human flesh. I am continuing my journal to document how we are surviving day by day. I want to make sure that mistakes we make along the way aren't repeated while at the same time I hope to pass some of our survival techniques along. What seems common sense at one moment may become a monumental error the next with people paying the price with their lives. I lost my best friend and partner Bobby. I have lost my loving wife Kate and our unborn child. I am now a man with nothing else to lose but my own life which I refuse to forfeit in order to help rescue those loved ones who may still have a fighting chance of survival. Hopefully we will find more survivors and secure a place somewhere that we can feel somewhat safe and come out of hiding. This is our story.
