**BMW E34 - The Complete Story** James Taylor,2024-10-29 The BMW E34 5 Series is considered one of the most impressive car designs to come out of the 1980s The BMW E34 5 Series became the benchmark executive saloon during its eight year production life and today enthusiasts still

look back on it as one of the high points of the BMW story The E34 range made its debut in 1988 and built on BMW's growing success in the medium sized saloon class From the start its makers aimed to seize leadership of the market sector from their arch rivals at Mercedes Benz and to that end they developed a sleek sporty shape and made the car available with a range of 6 cylinder engines These included highly regarded diesel types and later there would be an entry level 4 cylinder as well BMW kept the E34 range fresh to the very end through three major eras of production The first lasted until 1990 and established the range firmly The second period from 1990 to 1992 brought Touring estate models 4 wheel drive variants and advanced new 4 valve engines Between 1992 and 1996 the third phase brought annual updates including VANOS variable valve timing and new V8 engines for the top of the range models In the BMW tradition these cars combined strong performance with excellent handling and these qualities were exploited to the hilt by the M5 variants produced by the legendary M Division Aftermarket tuning specialists made their own contributions too adding to the aura of glamour around the E34 range There were lesser known elements of the story too when BMW used the E34 range for some fascinating experiments with hybrid power systems a convertible and a dual fuel system

**BMW E30** James Taylor, 2021-06-28 The E30 3 Series was the car that defined BMW more than any other during the 1980s and it has gone on to become a much loved modern classic This book tells the full story of the cars from the time in 1976 when work first began on the successor to the original E21 3 Series This new book features the story of how and why BMW designed their new compact E30 saloon for the 1980s the styling engineering and specification changes introduced over the lifetime of the model There are full technical specifications including paint and interior trim choices given along with a chapter on the special US variants Details of the M3 and the cars produced by the leading German tuners and finally there is a chapter on buying and owning a BMW E30
