Perfect Fit English Edition:

Shakespeare's First Reader Jason Scott-Warren, 2019-10-18 Richard Stonley has all but vanished from history but to his contemporaries he would have been an enviable figure A clerk of the Exchequer for more than four decades under Mary Tudor and Elizabeth I he rose from obscure origins to a life of opulence his job a secure bureaucratic post with a guaranteed income was the kind of which many men dreamed Vast sums of money passed through his hands some of which he used to engage in moneylending and land speculation He also bought books lots of them amassing one of the largest libraries in early modern London In 1597 all of this was brought to a halt when Stonley aged around seventy seven was incarcerated in the Fleet Prison convicted of embezzling the spectacular sum of 13 000 from the Exchequer His property was sold off and an inventory was made of his house on Aldersgate Street This provides our most detailed guide to his lost library By chance we also have three handwritten volumes of accounts in which he earlier itemized his spending on food clothing travel and books It is here that we learn that on June 12 1593 he bought the Venus Adhonay per Shakspere the earliest known record of a purchase of Shakespeare's first publication In Shakespeare's First Reader Jason Scott Warren sets Stonley's journals and inventories of goods alongside a wealth of archival evidence to put his life and library back together again He shows how Stonley's books were integral to the material worlds he inhabited and the social networks he formed with communities of merchants printers recusants and spies Through a combination of book history and biography Shakespeare's First Reader provides a compelling bio bibliography the story of how one early modern gentleman lived in and through his library

Remaking Custom Ellen Holmes Pearson, 2011-03-22 History has largely forgotten the writings both public and private of early nineteenth century America's legal scholars However Ellen Holmes Pearson argues that the observers from this era had a unique perspective on the young nation and the directions in which its legal culture might go Remaking Custom draws on the law lectures treatises speeches and papers of the early republic's legal scholars to examine the critical role that they played in the formation of American identities As intermediaries between the founders of America's newly independent polities and the next generation of legal practitioners and political leaders the nation's law educators expressed pride in the retention of the republican parts of England's common law while at the same time identifying some of the central features that distinguished American law from that of Britain From their perspective the new nation's blending of tradition and innovation produced a superior national character Because American law educators interpreted both local and national legal trends Remaking Custom reveals how national identities developed through Americans articulation of their local customs and identities Pearson examines the innovations that legists could celebrate such as constitutional changes that placed the people at the center of their governments and more egalitarian property laws that accompanied America's abundant supply of land. The book also deals with innovations that presented uncomfortable challenges to law educators as they sought creative ways to justify the legal cultures that grew up around slavery and Anglo Americans hunger for land occupied by Native Americans

Aristotle's Ethics Aristotle, 2014-08-24 Aristotle's moral philosophy is a pillar of Western ethical thought It bequeathed to the world an emphasis on virtues and vices happiness as well being or a life well lived and rationally motivated action as a mean between extremes Its influence was felt well beyond antiquity into the Middle Ages particularly through the writings of St Thomas Aguinas In the past century with the rise of virtue theory in moral philosophy Aristotle's ethics has been revived as a source of insight and interest While most attention has traditionally focused on Aristotle's famous Nicomachean Ethics there are several other works written by or attributed to Aristotle that illuminate his ethics the Eudemian Ethics the Magna Moralia and Virtues and Vices This book brings together all four of these important texts in thoroughly revised versions of the translations found in the authoritative complete works universally recognized as the standard English edition Edited and introduced by two of the world's leading scholars of ancient philosophy this is an essential volume for anyone interested in the ethical thought of one of the most important philosophers in the Western tradition **Reservations to Optional** Declarations Granting Jurisdiction to the International Court of Justice Robert Kolb, 2024-05-02 In this incisive book Robert Kolb sets out a short but nevertheless in depth analysis of optional declarations for the jurisdiction of the International Court of Justice and of the various reservations which restrict the jurisdiction Concise and readable the book examines the true scope of this jurisdiction once the numerous carve outs of the reservations are subtracted Acolytes of Nature Denise Phillips, 2012-05-07 Although many of the practical and Mechanic and World of Science ,1899 intellectual traditions that make up modern science date back centuries the category of science itself is a relative novelty In the early eighteenth century the modern German word that would later mean science naturwissenschaft was not even included in dictionaries By 1850 however the term was in use everywhere Acolytes of Nature follows the emergence of this important new category within German speaking Europe tracing its rise from an insignificant eighteenth century neologism to a defining rallying cry of modern German culture Today's notion of a unified natural science has been deemed an invention of the mid nineteenth century Yet what Denise Phillips reveals here is that the idea of naturwissenschaft acquired a prominent place in German public life several decades earlier Phillips uncovers the evolving outlines of the category of natural science and examines why Germans of varied social station and intellectual commitments came to find this label useful An expanding education system an increasingly vibrant consumer culture and urban social life the early stages of industrialization and the emergence of a liberal political movement all fundamentally altered the world in which educated Germans lived and also reshaped the way they classified knowledge The Illustrated London News ,1844 Harvard Advocate, 1870 **Purrieties of Language** Edith Podhovnik, 2023-04-27 A fun entrance point to linguistics this accessible book uses online cat discourse to introduce a wide range of concepts **English Mechanic and Mirror of Science** ,1885 Streaming Video Amanda D. Lotz, Ramon Lobato, 2023-05-02 How the rise of streaming services such as Netflix and Amazon Prime Video has changed television and film storytelling in countries around the globe Final Fantasy,

Responsibility and Language Practices in Place Laura Siragusa, Jenanne K. Ferguson, 2020-08-17 Responsibility and Language Practices in Place investigates responsibility in and through language practices as inspired by the roots of the English word itself the ability to respond or mount a response to a situation at hand It is thus a responsive kind of responsibility one that focuses not only on demonstrating responsibility for language but highlighting the various ways we respond to situations discursively and metalinguistically This sort of responsibility is part of both individual and collectively negotiated concerns that shift as people contend with processes related to globalization. This volume includes chapters by junior and senior scholars hailing from Europe Asia North America and Oceania all of whom seek to understand the social and cultural implications surrounding how people take responsibility for the ways they speak or write in relation to a place whether it is one they have long resided in recently moved to or left a long time ago The editors of this volume are PhD Laura Siragusa University Researcher at the University of Helsinki and PhD Jenanne K Ferguson Assistant Professor at MacEwan University Edmonton Alberta Invalidity Mindy Chen-Wishart, Hiroo Sono, Stefan Vogenauer, 2022-05-30 Studies in the Contract Laws of Asia provides an authoritative account of the contract law regimes of selected Asian jurisdictions including the major centres of commerce where limited critical commentaries have been published in the English language Each volume in the series aims to offer an insider s perspective into specific areas of contract law remedies formation parties contents vitiating factors change of circumstances illegality and public policy and explores how these diverse jurisdictions address common problems encountered in contractual disputes A concluding chapter draws out the convergences and divergences and other themes All the Asian jurisdictions examined have inherited or adopted the common law or civil law models of European legal systems Scholars of legal transplant will find a mine of information on how received law has developed after the initial adaptation and transplant process including the mechanisms of and influences affecting these developments At the same time many points of convergence emerge These provide good starting points for regional harmonization projects Volume IV of Studies in the Contract Laws of Asia deals with factors affecting the validity of contracts mistake fraud misrepresentation coercion and unfair exploitation in the laws of China Hong Kong India Indonesia Japan Korea Malaysia Myanmar the Philippines Singapore Taiwan Thailand and Vietnam Typically each jurisdiction is covered in two chapters the first deals with erroneous beliefs while the second deals with reprehensible conduct of one of the contracting parties The Oxford Magazine ,1887 The Third Lung: New Trajectories in Syriac Studies ,2023-08-21 No one mentions Syriac a dialect of the Aramaic language Jesus spoke without referring to Sebastian P Brock the Oxford scholar and teacher who has written and taught about everything Syriac even reorienting the field as The Third Lung of early Christianity along with Greek and Latin In 2018 Syriac scholars world wide gathered in Sigtuna Sweden to celebrate with Sebastian his accomplishments and share new directions Through essays showing what Syriac studies have attained where they are going as well as some arenas and connections previously not imagined flavors of the fruits of laboring in the field are offered Contributors to this volume are Susan Ashbrook Harvey Shraga Bick Briouria Bitton Ashkelony Alberto Camplani Thomas A Carlson Jeff W Childers Muriel Debi Terry Falla George A Kiraz Sergey Minov Craig E Morrison Istv n Perczel Anton Pritula Ilaria Ramelli Christine Shepardson Stephen J Shoemaker Herman G B Teule Kathleen E McVey The Living Church ,1944 The Systematic Classic of Acupuncture & Moxibustion Mi Huangfu,1994 The first clinical textbook of acumoxa therapy dating from the third century and one of the four great Chinese acupuncture classics this book is so authoritative that it has provided the framework and standard for all subsequent acupuncture textbooks in China It contains all the most important passages of the Su Wen and Ling Shu collated edited and arranged according to topic Music of the Final Fantasy Series , The Nation ,1873
