SALT OF THE EARTH

The Story of Tata Chemicals

The background of the cover is a photograph of a vast, flat landscape of white salt flats under a clear sky. In the foreground, there are some dark, jagged rock formations. The horizon is visible in the distance, where the salt flats meet the sky. The overall tone is serene and expansive.

Salt Of The Earth The Story Of Tata Chemicals:

Salt of the Earth Philip Chacko,Christabelle Noronha,2014 From its birth in a hostile setting through the struggles that have defined its existence to the success it has secured in the face of formidable odds the history of Tata Chemicals is rich in incident and endeavour sacrifice and fortitude This intimate and illuminating chronicle of a singularly resilient enterprise narrates that history and the gallant efforts of the people who shaped it Salt of the Earth tells the story of how Tata Chemicals emerged from the toil and despair of its early years to reach and breach new frontiers in its chosen industry and then beyond in the manufacturing of soda ash and other alkalis in the production of fertilisers and by creating a trusted food brand This is also the story of a company that has progressed and prospered by staying true to the legacy of its founders and the traditions and tenets of the Tata group and by committing itself to the cause of the communities in which it operates With a substantial presence in four continents leadership positions in different business segments and the character and potential to touch yet greater heights Tata Chemicals is poised to add new chapters to a saga 75 years in the making The past will inform and influence that future

Tata Mircea Raianu,2021-07-06 An eye opening portrait of global capitalism spanning 150 years told through the history of the Tata corporation Nearly a century old the grand facade of Bombay House is hard to miss in the historic business district of Mumbai This is the iconic global headquarters of the Tata Group a multinational corporation that produces everything from salt to software After getting their start in the cotton and opium trades the Tatas a Parsi family from Navsari Gujarat ascended to commanding heights in the Indian economy by the time of independence in 1947 Over the course of its 150 year history Tata spun textiles forged steel generated hydroelectric power and took to the skies It also faced challenges from restive workers fighting for their rights and political leaders who sought to curb its power In this sweeping history Mircea Raianu tracks the fortunes of a family run business that was born during the high noon of the British Empire and went on to capture the world s attention with the headline making acquisition of luxury car manufacturer Jaguar Land Rover The growth of Tata was a complex process shaped by world historical forces the eclipse of imperial free trade the intertwined rise of nationalism and the developmental state and finally the return of globalization and market liberalization Today Tata is the leading light of one of the world s major economies selling steel chemicals food financial services and nearly everything else while operating philanthropic institutions that channel expert knowledge in fields such as engineering and medicine Based on painstaking research in the company s archive Tata elucidates how a titan of industry was created and what lessons its story may hold for the future of global capitalism
