Small Business Handbook Steve Parks, 2012-12-27 Getting a business off the ground is only part of the challenge. What every entrepreneur needs is a handbook to guide them through every stage of actually running their business from finance to marketing from sales to hiring and managing people. The Small Business Handbook is THE essential reference for anybody who is starting a business. It provides vital advice and guidance on all the day to day aspects of running your enterprise and also helps you plan your growth and exit strategy so that whatever happens you'll be ready to tackle it informed and prepared. The accompanying CD contains a whole range of useful templates and essential documents for use in running your business and also features audio clips of successful entrepreneurs offering their tips and techniques for making your business really successful. Unlike many small business guides, Steve Parks is an entrepreneur with his own small but fast growing business. It's clear from every page of the handbook that he knows exactly what it's like to be in the reader's position and he shares everything he wishes he had had during his early years of running his own business. The book is endorsed by the Institute of Entrepreneurs and by a wide range of entrepreneurs who have been there and done it. *Master Planning and Scheduling* John F. Proud, Eric Deutsch, 2021-12-02 Discover the practical real world advantages of the Oliver Wight master planning and scheduling methodology.
