Said The Shotgun To The Head English Edition:

WMD Machete Mark Plimsoll, 2011-01-26 The Pan American Huckleberry Finn for the Twenty first Century a memoir of the young author's struggle with two realities one Anglo Saxon and the other Hispanic In this picaresque coming of age memoir we see a vision of North America's future in twenty five years when the Hispanic population becomes the majority and changes not only the demographics of the United States of America but its culture The author sweeps us along on a whirlwind of culture shock He chronicles the adventures of a disgruntled industrial age young man who feels a tribal and instinctual reluctance to accept the Third World's view of the United States and America's foreign policy But before he can assimilate the profound changes in language culture and reality along comes a new relationship and an earthquake that stops a war only to kill twenty two thousand people and changes blind patriotism into something else

Black World, 1969 **The Eyes of Bats** Hubert E. Devine, 2024-02-22

Will Alexander is on a journey of the heart and soul, searching for something elusive, something missing from his life, something obscured by the chaotic circumstances of his life and the mists of uncertainty. Blind to obvious truths, he is unable to see clearly what that elusive something is or where it may be found. He is on a perilous odyssey, cast toward an unknown destiny at the mercy of fate and chance. Having dropped out of university, he is an unlikely member of the Dark Angels, an outlaw motorcycle club in Halifax, Nova Scotia. Contending with violence in the streets and at home and in conflict with the law, he is driven ultimately to a decision, an inflection point that will define the remainder of his life. Twenty years later, the nature and direction of his journey begin to come into sharper resolution. He comes to see what he must do to find what has been missing over most of his lifetime, to fill the void in his life and finally give it a completeness he did not fully comprehend. It lacked. This takes him from Nova Scotia to the other side of the world. An expansive, spellbinding tale of generational mythology, the mysterious dance of fate and chance, and the circumstances and decisions that shape us, *The Eyes of Bats* concludes the multi-generational family saga begun by the author in his novel *All the Stars in the Sky*. These two novels give voice to themes of tragedy, struggle, hope, redemption, and triumph.
