Road To Transformation Journey To God S Glory:

Road to Transformation Rhonda Barnes, 2014-11-12 If you are a destiny driven individual you are on a road journeying somewhere The question is Do you know where In God's divine design He looked down through time and specifically created you to be alive on this earth at this time You can be sure that He has an explicit purpose in mind for your life Your destiny in not just about a place it is about the process and the journey God wants to utilize the experiences of your life to transform you from glory to glory At times you can see a literal road as a picture of the journey to transformation If you travel long enough you will realize that it is not sunny skies and straight roads forever It is inevitable that you will eventually travel through some storms face delays and detours and need some course correction The good news is that you do not have to travel this road alone A personal relationship with your Lord and Saviour will provide the sustaining grace required for your trip You can learn from experience that His presence is greater than your pressure and His blessings are stronger than your battles If you have become comfortable in your spiritual walk you may not be seeking transformation. The spiritual truths that are shared in this book will challenge you to seek something greater You will be motivated to jump into the fast lane and Journey into God Mark G. Boyer, 2022-01-28 This is a drive forward until your present reality and your destiny collide book about spirituality more specifically the spiritual journey Before beginning any journey or trip spiritual or otherwise we experience a state of order Then comes the call to journey to travel to take a trip to walk to pilgrimage to hit the road etc The call to begin a journey may come from an urge within us it may be an invitation from a spouse or a friend to fly somewhere it may be as simple as taking the dog for a walk in the neighborhood even taking different streets. Jason K. Pankau with Lisa Leach and John B. Donovan, God Didn't Do It; He Only Signed Off On It Christiana I. Chineme, 2010-03-01 As humans things happen to us sometimes that we cannot fully understand We desire to explain them when from human perspective there s no explanation that really exists Our perplexion at things of that nature are not just about when they happen to us but also the things we witness in the world around us They oftentimes shake the foundations of our faith in God to the core But as much as not knowing hurts at no time should our reaction be to accuse God for things we don't understand Rather we should know that God is not always the architect of all our problems and that He might not always save us from people that live to harm us or bless us the way we want because we take a stand with Him His promise however is one thing and that is that He ll work it all out for HIS OWN ENDS even the wicked for a day of disaster Proverbs 16 4b However your pain occurred God's declared intentions are that He ll use all of your problems any which way they present to work out His will for your life The deaths of some of the people that went before us is proof that for reasons best known to Him God at times chooses not to deliver people that take a stand with Him And it s not because He hated such people but because of what He already planned to use the situation for **Arts Ministry** Michael J.
