**Figure 1** | The figure shows a 3D visualization of the network structure of the system. The nodes are represented by spheres, and the edges are represented by lines connecting the spheres. The network is highly interconnected, with many nodes having multiple connections. The nodes are arranged in a roughly spherical shape, with the connections forming a dense web of lines. The colors of the nodes and edges vary, with some nodes being red and others blue, and some edges being red and others blue. The overall structure is complex and non-linear, with many loops and branches.
