Salvation Joshua Jared Scott, 2014-11-11 SEQUEL to Conflict Surviving the Zombie Apocalypse and the conclusion to Jacob Thornton's story of survival When the change struck a quarter of the world's population simultaneously and without warning perished Seven minutes later the corpses reanimated and promptly began to attack the living At zero hour well over one billion zombies walked the Earth A day later more than half the world's population had turned Escaping the city Jacob Thornton and a group of survivors began work on a settlement deep in the wilderness where they hoped to rebuild their shattered lives Isolated and far from the chaos it seemed they were indeed safe that is until the raiders appeared Forced to flee Jacob led his people north to the Black Hills They built fortifications gathered supplies and waited for the inevitable It did not come Time passed Homes were constructed crops planted and contact made with others around the globe So few remained but efforts were underway to rid the world of zombies There was a very real chance civilization would bloom once more Then the enemy returned determined to complete the genocide they began two years earlier
