

PART 1

Overview

Chapter 1	Introduction to Corporate Finance	2
Chapter 2	Corporate Governance	24

You are at the beginning of an enriching journey. This book will help you to understand financial managers' decisions and how corporate finance is vital to all business aspects. Don't worry if you know absolutely nothing about finance. You will be provided with all the knowledge you need in terms of business terminology, accounting and finance. In addition, you will appreciate and become familiar with the international environment where companies raise funds and operate, understand the importance of aligning management incentives with company value maximization, and explore cultural variations in a global context. Finally, you will acquire the insight needed to be a key decision-maker and contribute to your company's growth.
