Sarah Women Of Genesis Women Of Genesis Forge:

Biblical Women in Contemporary Novels in English Ingrid Bertrand,2020-02-10 How are well known female characters from the Bible represented in late 20th century novels In *Biblical Women in Contemporary Novels in English* Ingrid Bertrand presents a detailed analysis of biblical rewritings by Roberts Atwood Tennant Diamant and Diski focusing on six different women Eve Noah s wife Sarah Bilhah Dinah and Mary Magdalene She shows how these heroines give themselves a voice that rests not only on words but also on silences Exploring the many forms that silence can take she presents an innovative typology that sheds new light on this profoundly meaningful phenomenon [Women's Lives in Biblical Times](#) Jennie R. Ebeling,2010-04-07 This volume describes the lifecycle events and daily life activities experienced by girls and women in ancient Israel examining recent biblical scholarship and other textual evidence from the ancient Near East and Egypt including archaeological iconographic and ethnographic data From this Ebeling creates a detailed accessible description of the lives of women living in the central highland villages of Iron Age I ca 1200 1000 BCE Israel The book opens with an introduction that provides a brief historical survey of Iron Age ca 1200 586 BCE Israel a discussion of the problems involved in using the Hebrew Bible as a source a rationale for the project and a brief narrative of one woman s life in ancient Israel to put the events described in the book into context It continues with seven thematic chapters that chronicle her life focusing on the specific events customs crafts technologies and other activities in which an Israelite female would have participated on a daily basis **Sarah [book Club Kit]** Orson Scott Card,2002 **The Matriarchs of Genesis** David J. Zucker,Moshe Reiss,2015-08-27 Sarah Hagar Rebekah Leah Rachel Bilhah Zilpah These are the Matriarchs of Genesis A people s self understanding is fashioned on their heroes and heroines Sarah Rebekah Leah and Rachel the traditional four Matriarchs are important and powerful people in the book of Genesis Each woman plays her part in her generation She interacts with and advises her husband seeking to achieve both present and future successes for her family These women act decisively at crucial points through their actions and words their family dynamics change irrevocably Unlike their husbands we know little of their unspoken thoughts or actions What the text in Genesis does share shows that these women are perceptive and judicious often seeing the grand scheme with clarity While their stories are told in Genesis in the post biblical world of the Pseudepigrapha their stories are retold in new ways The rabbis also speak of these women and contemporary scholars and feminists continue to explore the Matriarchs in Genesis and later literature Using extensive quotations we present these women through five lenses the Bible Early Extra Biblical Literature Rabbinic Literature Contemporary Scholarship and Feminist Thought In addition we consider Hagar Abraham s second wife and the mother of Ishmael as well as Bilhah and Zilpah Jacob s third and fourth wives **Daring, Disreputable and Devout** Dan W. Clanton,2009-04-01 Stories of women in the Bible have been interpreted by artists writers musicians filmmakers and biblical commentators for centuries However in many cases these later interpreters have often adapted and altered the Bible to fit their own view s of

the stories Ironically these later renderings usually serve as the basis for the generally accepted views of biblical women For example many readers of the Bible assume that Eve is to blame for the disobedient act in the Garden of Eden or that Delilah seduced Samson and then cut his hair A closer look at these assumptions though reveals that they are not based on the Bible but are mediated through the creations of later interpreters In this book the author examines eight such women's stories and shows how later readers interact with the biblical stories to construct sometimes fanciful sometimes faulty views of these women Dan Clanton Jr broadens our awareness of the influence of these later readings on how we understand biblical women so that we can be more critical in our engagement with them and become more familiar with what the Bible actually says about the women whose stories it contains

Postcolonial Perspectives in African Biblical Interpretations Musa W. Dube, Andrew M. Mbuvi, Dora R. Mbuwayesango, 2024-01-30 This volume foregrounds biblical interpretation within the African history of colonial contact from North Atlantic slavery to the current era of globalization It reads of the prolonged struggle for justice and of hybrid identities from multifaceted contexts where the Bible co exists with African Indigenous Religions Islam and other religions Showcasing the dynamic and creative approaches of an emerging and thriving community of biblical scholarship from the African continent and African diaspora the volume critically examines the interaction of biblical texts with African people and their cultures within a postcolonial framework While employing feminist womanist postcolonial Afrocentric social engagement creative writing reconstruction and HIV AIDS perspectives the authors all engage with empire in their own ways in specific times forms and geography This volume is an important addition to postcolonial and empires studies in biblical scholarship The contributors are David Tuesday Adamo Lynn Darden H J M Hans van Deventer Musa W Dube John D K Ekem Ernest M Ezeogu Elelwani B Farisani Sylvester A Johnson Emmanuel Katongole Malebogo Kgalemang Temba L J Mafico Madipoane Masenya ngwan a Mphahlele Andrew M Mbuvi Sarojini Nadar Elivered Nasambu Mulongo Jeremy Punt Gerrie Snyman Lovemore Togarasei Sam Tshehla Robert Wafawanaka Robert Wafula Gerald West Alice Y Yafeh Deigh and Gosnell L Yorke

Woman and Nation Jean Kim, 2021-10-01 Kim reads the Gospel of John from a postcolonial feminist perspective as a patriarchal nationalist discourse The author examines effects of colonialism in twentieth century Korean cultural experience as seen in social memory pervasive emotional nonlinear experience of the collective or oral traditions to develop an intercontextual lens through which she examines the role of the Johannine female characters in supporting Jesus's role as a national hero and in functioning as continuers of the nation In her unique handling of the Gospel of John the author describes how John's resistance to Roman imperial power defines and shapes the boundaries of his Jewish nationalism in relation to the symbolic meanings attached to the female characters sexuality and gender roles

A Womanist Reading of Hebrew Bible Narratives as the Politics of Belonging from an Outsider Within Vanessa Lovelace, 2024-05-29

The U S Declaration of Independence of 1776 decreed that all men were created equal and were endowed by their Creator with certain unalienable Rights Yet U S born free and enslaved Black people were not recognized as citizens with equal protections under the law until the passage of the Fourteenth Amendment Even then White supremacists impeded the equal rights of Black people as citizens due to their beliefs in the inferiority of Black people and that America was a nation for White people White supremacists turned to biblical passages to lend divine justification for their views A Womanist Reading of Hebrew Bible Narratives as the Politics of Belonging from an Outsider Within analyzes select biblical narratives including Noah s curse in Genesis 9 Sarah and Hagar in Genesis 16 and 21 Mother in Israel in Judges 5 and Jezebel Phoenician Princess and Queen of Israel in 1 and 2 Kings This analysis demonstrates how these narratives were first used by ancient biblical writers to include some and exclude others as members of the nation of Israel and then appropriated by White supremacists in the antebellum era and the early twentieth century to do the same in America The book analyzes the simultaneously intersecting and interconnecting dynamics among race gender class and sexuality and biblical narratives to construct boundaries between us versus them particularly the politicization of motherhood to deny certain groups inclusion
