Repair Manual 1982-88 Chilton Automotive Books, 1988-03 **Used Car Buying Guide 2007** Consumer Reports
(Firm), 2007-01-09 Buying a car can be a smart idea a car loses the lion's share of its value when it is driven off the new car
lot so why let someone else take that loss But buyer beware A used car is likely to need more repairs and may come with a
short warranty or none at all In addition used cars may lack the latest safety features That is why it is so important for
consumers to do extensive research so they can avoid all of the potential pitfalls of buying a used car The auto experts at
Consumer Reports have done the work for you and have compiled their extensive research and report their findings into the
2007 edition of USED CAR BUYING GUIDE This fabulous tool will help steer any consumer who is in the market for a used
car towards the better performing and more reliable used car models and away from those models with a troubled past or
substandard performance Before consumers set foot on a used car lot they should read all the valuable information provided
in this book so they can be armed with as much information as possible and the knowledge to make an educated choice
Consumer Reports knows cars and offers the most detailed and revealing used car reliability information available anywhere
including Unbiased reviews of every major model from 1999 2006 Lists of the best and worst used vehicles and how to avoid
a lemon A checklist of what to look for when inspecting a used car Best used cars for gas mileage Tips on negotiating the
best price Reliability recalls and crash test information Making sense of safety information How to get the most money when
trading in your current car The majority of this book is devoted to the profiles of 264 cars minivans SUVs and trucks

presenting all major 1999 2006 models Each profile contains a photo from the representative year a write up of the vehicle reliability history crash test data and the model years when key safety gear was added and when a major redesign was made
