The Brother Sam Roberts,2014-09-16 A fresh and fast paced study of one of the most important crimes of the twentieth century The Washington Post The Brother now discloses new information revealed since the original publication in 2003 including an admission by his sons that Julius Rosenberg was indeed a Soviet spy and a confession to the author by the Rosenbergs co defendant Sixty years after their execution in June 1953 for conspiring to steal atomic secrets Julius and Ethel Rosenberg remain the subjects of great emotional debate and acrimony The man whose testimony almost single handedly convicted them was Ethel Rosenberg s own brother David Greenglass Though the Rosenbergs were executed Greenglass served a mere ten years in prison after which with a new name he disappeared But journalist Sam Roberts found Greenglass and then managed to convince him to talk about everything that had happened Since the original publication of *The Brother* Roberts sued to release grand jury testimony which further implicates Greenglass and demonstrates how the prosecution was tainted One of the defendants Morton Sobell admitted to Roberts that he and Julius Rosenberg were spies Furthermore Michael and Robert Meeropol the Rosenbergs sons acknowledged to Roberts that although their mother was not legally culpable that the secret to the atomic bomb was not compromised and that the death penalty was excessive their father was in fact guilty of conspiracy to commit espionage on behalf of the Soviet Union Now released with this important new information *The Brother* is more than ever A gripping account of the most famous espionage case in US history an excellent book written with flair and alive with the agony of the age The Wall Street Journal

From Sin to Disease Jonathan K. Okinaga,2022-09-23 Since Benjamin Rush first introduced the disease of wills as the cause of alcoholism a steady and slow infiltration of the disease model has infected how the church treats those who struggle with addictions The first organization that truly sought to remove the soul care of addicts from the church was Alcoholics Anonymous AA through their bestselling *The Big Book of AA* and the introduction of the 12 Steps AA s influence on how the church confronts addiction still reverberates today with many of the ministries that address addiction firmly rooted in what

can be found in AA literature Addictions were once viewed as an issue caused by sin and best addressed through faith and prayer Currently addiction is seen through the lens of disease The ramifications are consequential as more church members are struggling with addictions than ever before Tracing the progression of addiction from sin to disease will reveal that the SBC and its churches have been negligent in understanding the underlying foundations of AA and the influence that the medicalization of substance abuse has had on how churches approach what should be classified as a sin issue *Cumulated Index Medicus*, 1979 **Structure Correlation** Hans-Beat Bürgi, Jack D. Dunitz, 1994 *Invitation to an Inquest* Walter Schneir, 1965 **Histological and Histochemical Methods, fifth edition** John Kiernan, 2015-06-08 This fifth edition of *Histological and Histochemical Methods* continues to provide a clear and consistent introduction to the techniques description and analysis of the chemical and physical principles of fixation tissue processing staining enzyme location immunohistochemistry and other key procedures The overall structure of the book remains unchanged but the content has been heavily revised to update the techniques used in line with recent technological advances Additionally there are new sections on Artefacts and troubleshooting Methods for microorganisms and fungi in sections Methods for various pigments and mineral deposits in tissues Methods for skeletal elements bone cartilage in whole mounts *Histological and Histochemical Methods 5e* is essential reading for students lecturers researchers and professionals using histological and histochemical techniques From reviews *Histological and Histochemical Methods* is a tour de force wholly suited to the modern age of histology and Professor Kiernan has triumphed again To cover so much ground clearly and concisely while including the justification of the underlying chemistry makes this book unique There should not be a histology laboratory or an undergraduate library that does not own a copy *Biotechnic Histochemistry* 2016 91 2 145 This book should be present on the bookshelves of every research or analysis laboratory where histology and histochemistry are routinely used as an essential reference source of basic and practical information for scientists and technicians *European Journal of Histochemistry* 2016 vol 60 **Translational Research Models and Methods for Mother-Infant Interactions and Developmental Studies** Josephine Johns, Rina Eiden, Elizabeth M. Byrnes, John H. Gilmore, Sheryl Moy, Joan I. Morrell, Linda Mayes, Karen Grewen, 2012-10-01 The disruption of mother infant interactions can have life long detrimental consequences for offspring and mothers This topic of *Frontiers* will focus on maternal infant interactions including factors that may affect or alter infant or child development and maternal response capability in clinical and preclinical animal populations Articles may highlight topics such as drug abuse maternal neglect altered reward systems stress biological and neural system development child and infant behavioral development genetics epigenetics and intergenerational studies Submissions can include research methods papers reviews original research articles techniques and opinion articles that address the topics of interest This Research Topic will highlight translational research including common measures and results found in both animal and human studies Please contact one of the Editors for submission proposals or for additional information **After the Cold War**
