*The Pen and the Faith* Kenneth Cragg, 2013-04-15 What is happening in Islam is of concern to more than Muslims The Qur'an is the prime possession of Muslims how then are they reading and understanding their sacred Book today This volume originally published in 1985 examines eight writers from India Egypt Iran and Senegal Their way with the Qur'an indicates how some in Islam respond to the pressures in life and thought associated in the West with thinkers such as Kierkegaard Marx Camus Kafka Jung Fanon and De Chardin

**Druze and their Faith in Tawhid** Anis Obeid,2006-07-06 As a small sect that emerged from Islam over a thousand years ago the Druze religion and society has long been cloaked in a tradition of secrecy Veiled from the outside world the religious tenets have been vulnerable to distortion misunderstanding and misrepresentation In this book Dr Anis Obeid a Druze layman provides a penetrating analysis of Druze scriptures and beliefs Tawhid Presenting a chronological narrative of the foundation and development of the faith he explains the historical conditions and religious rationale behind this closed religion The Druze faith is the product of Abrahamic monotheism as it coalesced with other philosophies belief systems and political structures of the West and the East and as Obeid maintains should be recognized for its core monotheism and not fundamentally different from Judaism Christianity or Islam He argues convincingly with examples and translations from the Druze scriptures only now accessible to a non initiate public that Tawhid is a progressive and dynamic spiritual process based on freedom of choice This rich exploration of their faith the author s appeal for a sincere cultural dialogue will resonate with a wide audience in the West and in the Middle East **The Gayworthys, by the author of 'Faith Gartney's**
