Garnett,2020-09-11 This devotional reveals reflections of some of the characteristics God has shown me of Himself on my journey and during this time of quarantine As you read in your quiet space you will gain inspiration wisdom and counsel from His point of view You are God s beloved children and it is in His heart that you know this Truth Each reflection of God will speak to you prophetically You will need your pen and journal to capture these sacred moments His words of love will draw you closer and you will see Him in a different Light Each manifestation includes specific bible verses inspirational worship

songs and prayers with an opportunity for you to pray for others as you are led by His Holy Spirit May God bless you with His Presence and Peace as you pursue Him Drawing Closer to God Dianne Neal Matthews, 2010-10-01 The Bible is full of questions asked by God Jesus ordinary people Satan and even a donkey Some are questions that we've wrestled with but have been reluctant to voice Others are asked to comfort to convict or to reinforce spiritual principles Drawing Closer to God examines 365 of these questions to uncover biblical truth readers can apply personally to their lives Each devotional concludes with a question designed to encourage reflection and prayer leaving readers with practical takeaway and a renewed appreciation for God's Word **From Glory to Glory: The Psychodynamics of Salvation in Christ** H. Owen Ward PhD, 2015-11-18 Christianity is one of the most popular subjects of debate in the world today In this book Dr Ward directs the debate to the Bible itself He contends that the core of the biblical revelation of Christ has been overlooked ignored and even dismissed throughout thousands of years of Church history He challenges us to look deeper into the Scripture and discover what it means that Jesus is Christ As many precious gifts come in a small package Christ is identified in the Bible with one small five letter word used in its metaphysical context only four times in only one chapter of the New Testament In the beginning was the Logos and the Logos was with God and the Logos was God and the Logos became flesh and dwelt among us Jn 1 1 14 As Dr Ward demonstrates once we have a grasp of the meaning of this single Word it acts like a secret code unlocking the vision of the Big Picture Grand Design God intended when he inspired John to write his Gospel Unfortunately few Christians today know anything about the Great Conversation of philosophical thought that John adopted at the core of his God Story Dr Ward invites us into our own personal psychological encounter with a here and now renaissance Return to Antiquity joining the Church Fathers who dedicated their lives to the depth of this expansive vision Open your mind to revision and redefine your faith Let the big T Truth transform your mind heal your wounds and open your heart to this wonderful heritage at the root of the great Christian tradition From Glory to Glory **What Would Christ Do?** William Jeynes, 2016-02-01 Many experts in education psychology science philosophy politics and across the social sciences and humanities believe that a plethora of people in the world have lost their way and lack a moral compass In a world in which youth often lack guidance from parents countless individuals are hurting from broken relationships and many people lack a sense of purpose direction and a sense of who they are there is a growing awareness around much of the world that people should revisit the teachings of Jesus Christ for answers The Bible is the most published book in the history of the world for a reason At the heart of Christ's teachings is love which sadly in many academic political and business circles has become the most feared four letter word of all In this context the need to revisit the personal significance of the most quoted verse in the Bible For God so loved the world that He gave His only son and God is love is axiomatic In a world filled with divisiveness a dearth of civility a lack of love a dismissive attitude toward any sense of truth and absolute values and the inability for people to get along it would seem that there is no timelier action one can take than to ask the pertinent question What would Christ

do It is a vital question to ask not only as it applies to one's personal life but also to the world situation at large For example one can argue that the economic crisis of 2008-2009 in the West and the Asian economic crisis of 1997-1998 were largely the result of lack of character and the love of money and power than pervaded the government business and the general population One can argue that had the nations of the world been guided by the example of love self sacrifice humility and integrity that Christ set those crises would not have happened Life is filled with enough challenges without a lack of virtue creating more trials Addressing the question of What would Christ do can help the reader engage in better decision making that can literally change one's life and help establish a reputation of love character and compassion that will open doors into a better life *Releasing Miracles* Kynan Bridges, 2022-11-08 You Were Born for Miracles Too many Christians have settled for experiencing small doses of God's supernatural love But what if your life was marked by an outpouring of His power answered prayers miracles and victory In this practical eye opening book Dr Kynan Bridges shows that this is exactly the life God designed you for through Christ you have the divine right to operate in the miraculous Why Because miracles are deliberate redeeming life changing displays of God's love in action In these pages you will discover not only the biblical foundation for living out the miraculous every day but also how to sustain a supernatural lifestyle through faith compassion humility and worship Miracles are your spiritual inheritance and the Holy Spirit is waiting to partner with you It's time to let His love and Kingdom overflow in your life and change the lives of those around you Biblically balanced and well written A great book for someone interested in healing for themselves or the ministry of healing for others DR RANDY CLARK
