dying violently The answers do not come easily but by using a team of three world class psychics he eventually tracks down the shocking reason for all his brutal deaths The psychic team finds that within the soul of this normal small businessman resides a brutal stone cold killer from the 1600 s who surprisingly was the revered founder of a gentile noble family As part of his soul s continuing quest for redemption Mares hopes to salvage the dark time in his soul s past into something that could help others today His experiences show that death is only a transition phase and that it should not be feared His book also reveals that reincarnation is actually a well designed organized system that allows souls to learn personalized life lessons over a surprising number of lives If you read this book you will never look at life and death in the same way again

Reincarnation Michael J. Lewis,2018-03-14 Have you ever thought that you have had a previous existence What if you woke up one day and discovered that you had been transported back 4 000 years to an earlier life This is what happens to Mel a modern day architect who is shortly to be married He returns to his previous incarnation as Melchizedek a warrior king and high priest briefly mentioned in the Bible Although he considers himself to be ill equipped to succeed in this role guidance is always there when needed From time to time Mel returns briefly to the present and eventually has to choose between the two existences Very little is known about Melchizedek But his name crops up in a few ancient texts including the Dead Sea Scrolls the Gnostic Gospels discovered in Egypt The Book of the Secrets of Enoch and in various Jewish oral and written traditions Despite the sparsity of information available the author s intention is always to try and keep the narrative as historically factual and credible as possible Readers are free to regard the whole account as pure fantasy or maybe it will

provide some food for thought Hmm could it actually have happened Coming Back Alive Joe Fisher,2012-10-01 The age old belief in reincarnation is enjoying a revival More and more people are asking is this all there is and opening themselves up to the possibility of returning to life in new bodies to continue their spiritual growth Reincarnation is not exclusive to the Hindu or Buddhist religions it is part of the history of mankind The Dalai Lama has written of this book that it will contribute substantially to explain and interest the average westerner in the subject of rebirth In Coming Back Alive Joe Fisher explores the origins of belief in rebirth and examines the evidence for life after life while placing ideas of human reincarnation in the context of the life of the universe Joe Fisher began to research past and future lives in 1982 the more deeply he delved the more he was swayed by the large body of evidence that supports the case for reincarnation He first published his findings in The Case for Reincarnation but has now revised and updated his work under the title Coming Back Alive Including new material on the discarnate realm between incarnations new developments in past life therapy and childhood reincarnation memory of earlier lives and describing the continued progress made in reincarnation research since the original publication this is the most comprehensive account available **National Security Mom** Gina M. Bennett,2008-11 Written by a mother of five and 20 year veteran of counterterrorism in the U S Intelligence Community this book demystifies the underworld of terrorism and offers a unique comparison of how the super secret intelligence approach to securing the nation is surprisingly similar to how parents secure their homes and families **Reincarnation Stories of Mercy & Resolution** Elizabeth Clare Prophet,2024-10-01 Reincarnation Stories of Mercy Resolution was formerly titled 9 Cats 9 Lives FDR Al Capone Henry Ford What were they doing on Atlantis And how did that set the stage for future lives Elizabeth Clare Prophet penetrates the veils of akasha to reveal the past lives of individuals who helped shape the modern world As she traces threads of karma we see how their choices in many lives set their destiny and the karmic challenges they would face in the twentieth century The stories are intriguing More importantly they show that while karma may determine the cards we are dealt in life we each choose how we will play our hand We can rise to our higher calling and balance our karma or wrap ourselves more tightly in its bonds The message is that we can transcend our past and our past lives and find a new freedom and joy in life each day Formerly titled 9 Cats 9 Lives Encyclopedia of World Crime: K-R Jay Robert Nash,1989 *The Lincoln-Kennedy Coincidences* Jonathan Knight,2023-01-06 This work is a witty exploration of the eerie similarities between the assassinations of presidents Abraham Lincoln and John Kennedy that have fascinated both casual and serious history buffs for more than half a century From the compilation of these mysterious coincidences to the campfire story of a curse cast upon the American presidency this account is filled with captivating anecdotes that are often hard to believe Balancing historical research with a sprinkle of whimsy this book is the most substantial investigation of a nearly folkloric American topic Pulling back the curtain of history it sheds light on what makes these coincidences so intriguing and enduring Paranormal Perspectives: Where the Spirit Led Brad Burkholder,2025-06-24 In Where the Spirit Led author Brad Burkholder tells the story of five individuals
