

"Rich and glowing and vital"
L.P. Hartley

THE RETRREAT FORREST REID

WITH A NEW INTRODUCTION BY ANDREW DOYLE

The Retreat Valancourt 20th Century Classics

Forrest Reid

The Retreat Valancourt 20th Century Classics:

The Retreat (Valancourt 20th Century Classics) Forrest Reid, 2014-12-30 He writes with such ease and simplicity his stories always unusual are so exquisitely told and when as often happens he takes you into regions not too far distant from fairyland he has only to wave his wand to make you believe Ralph Straus Sunday Times Mr Reid is one of the most remarkable living fantasists A t once charming and a psychological tour de force London Mercury An eerie unusual quite enchanting book Guardian The Retreat opens with a vivid dream about an evil sorcerer and his boy apprentice The dreamer is Tom Barber age 13 who like many intelligent and sensitive children moves between the world of everyday life and that of the imagination I pretend things and all at once they become real Tom says and they become real for the reader as well as we follow him over the course of one summer during which the lines between reality and fantasy are frequently blurred In his depiction of Tom s fantastic adventures in an unseen world his attempts to thwart the malign influence of the cat Henry whom he has observed scratching cabbalistic symbols on the gravel path his meetings with the beautiful boy angel Gamelyn his conversations with animals his experiences in the Garden of Eden Forrest Reid s delicate artistry is at its finest and most delightful The second of Reid s three novels featuring Tom Barber The Retreat earned universal critical acclaim when first published in 1936 This edition includes a new introduction by Andrew Doyle and numerous never before published photographs and illustrations

Heteronormativity in Eighteenth-Century Literature and Culture Ana de Freitas Boe, Abby Coykendall, 2016-04-22 The resurgence of marriage as a transnational institution same sex or otherwise draws upon as much as it departs from enlightenment ideologies of sex gender and sexuality which this collection aims to investigate interrogate and conceptualize anew Coming to terms with heteronormativity is imperative for appreciating the literature and culture of the eighteenth century writ large as well as the myriad imaginaries of sex and sexuality that the period bequeaths to the present This collection foregrounds British European and to a lesser extent transatlantic heteronormativities in order to pose vital if vexing questions about the degree of continuity subsisting between heteronormativities of the past and present questions compounded by the aura of transhistoricity lying at the heart of heteronormativity as an ideology Contributors attend to the fissures and failures of heteronormativity even as they stress the resilience of its hegemony reconfiguring our sense of how gender and sexuality came to be mapped onto space how public and private spheres were carved up or gendered and sexual bodies socially sanctioned and finally how literary traditions scholarly criticisms and pedagogical practices have served to buttress or contest the legacy of heteronormativity

Young Tom (Valancourt 20th Century Classics) Forrest Reid, 2015-03-03 One of the most original and most perfect works of imagination of our time Edwin Muir The Listener A unique achievement in modern literature John Boyd It has a charm and freshness it is beautifully written James Hanley New English Weekly Young Tom 1944 completes the trilogy of novels featuring Tom Barber which began with Uncle Stephen 1931 and The Retreat 1936 and it is probably Forrest Reid s finest

achievement Acclaim from contemporary critics was unanimous and the book won the James Tait Black Memorial Prize as the best novel of the year In many ways ten year old Tom is like other boys his life centres on his parents school and his best friend Pascoe But he also has another existence equally real in his dreams and imagination In this novel we follow him as he plays with his three canine companions Barker Pincher and Roger befriends and communicates with a rat and a squirrel and tries to find out what happened to Ralph Seaford the dead boy whose ghost now haunts Tom s grandmother s attic In exquisite prose without sentimentality exaggeration or a single false note Reid brings to life Tom his greatest creation and accomplishes the difficult feat of allowing readers to revisit and experience anew the wonders and mysteries of childhood This edition features a new introduction by Andrew Doyle and a selection of never before published photographs

Bombardier (Valancourt 20th Century Classics) Stephen Gilbert, 2016-05-17 Stephen Gilbert 1912 2010 is best remembered today for his fantasy and horror novels including *The Landslide* 1943 which featured a talking dragon and sea serpent *Monkeyface* 1948 centering on an super intelligent ape and *Ratman s Notebooks* 1968 the best selling novel about killer rats that inspired several films Given his background as an imaginative novelist it is perhaps surprising that Gilbert also authored one of the most realistic and authentic novels to emerge from World War II *Bombardier* 1944 A success when first published Gilbert s novel is a lightly fictionalized account of his own experiences in the 3rd Ulster Searchlight regiment in France in 1940 in the period leading up to the military disaster that ended in the Dunkirk evacuation Narrated from the point of view of a young and ingenuous enlisted man Lance Bombardier Peter Rendell and written in Gilbert s characteristically elegant prose *Bombardier* is a fascinating account of a major event in 20th century history A writer of distinction E M Forster Dramatic at times exciting and always admirably written Forrest Reid The tremendous events of the retreat to Dunkirk the bombing of the town and the sinking of their ships Mr Gilbert has done quite a good job *The Guardian*
