The Russian Album

Arturas Laskauskas

The Russian Album:

The Russian Album Michael Ignatieff, 1987 Winner of the Royal Society of Literature Award Ignatieff chronicles five generations of his Russian family beginning in 1815 Drawing on family diaries on the contemplation of intriguing photographs in an old family album and on stories passed down from father to son he comes to terms with the meaning of his family's memories and histories Focusing on his grandparents Count Paul Ignatieff and Princess Natasha Mestchersky he recreates their lives before during and after the Russian Revolution *The Russian Album* Michael Ignatieff, 2023-05-25 Poring over his grandparents' memoirs grainy photographs of his distinguished ancestors and relating family lore passed from father to son Michael Ignatieff begins a moving journey to come to terms with his inheritance that is bound up with the violent tumult of Russian history With great care and complexity Ignatieff reconstructs a vanished way of life Beginning in the opulent court of Catherine the Great he traces his family's rise to great influence in the imperial regime of Tsar Nicholas II before the country is swept up in revolution civil war and exile A profound meditation on rootlessness and belonging *The Russian Album* explores both how we are formed by our pasts but also how we must write our own stories in the present

The Russian album Arturas Laskauskas, 2002 *The Russian album* , 1999 *History and Myth in Pictorial Narratives of the Russian 'Patriotic War', 1812-1914* Andrew M. Nedd, 2024-07-08 This book reveals that the visual narrative of the events of the Russian campaign of 1812 was inextricably linked to Russia's search for national identity and helped to form competing definitions of Russianness No pre-revolutionary military event was more celebrated in Russian literature and art than the Patriotic War of 1812 during which Napoleon advanced his Grand Armée into Russia only to retreat months later in defeat as his army faced starvation and capture during the brutal winter The works of art that retold the story of 1812 extolled virtues that were represented as inherently Russian courage resourcefulness and unity Furthermore these values were increasingly contrasted with those of the foreign invader from the west While the emphasis is largely on academic painting this book also explores popular media and memorialization in order to reveal the role that images played in the process of constructing identities in nineteenth-century Russia **Media Cultures of the Russian 1990s** Maya Vinokour, 2025-10-14 Examining Russian language media from the long 1990s the period beginning with Mikhail Gorbachev's policy of glasnost openness and ending with the election of President Vladimir Putin *Media Cultures of the Russian 1990s* shows how post-Soviet civil society emerged simultaneously with the explosion of new media especially a newly liberated television and internet A brief and contested period of media independence ensued as explosive creativity collided with rank commercialism journalistic integrity with burgeoning political ambitions and fringe with mainstream By the late 1990s however the media landscape had succumbed to economic and political exploitation The causes and nature of this shift which set the stage for Putin's crackdown on independent media after 2000 as well as Russia's slide into aggressive authoritarianism are embedded in the era's media artifacts Written by an interdisciplinary group of experts this edited

collection addresses the mutual influence among disparate spheres of public life that enabled the media Wild West of the first post Soviet decade As a joint platform the volume and the associated Multimedia Sourcebook of the Russian 1990s present the decade s media cultures in a manner that reflects their historical interconnectedness and relationship to the global present Edited by Maya Vinokour with contributions from Bradley Gorski Courtney Doucette Fabrizio Fenghi Rita Safariants Daniil Leiderman Thomas Keenan and Pavel Khazanov

A Guide to Scholarly Resources on the Russian Empire and the Soviet Union in the New York Metropolitan Area Robert A. Karlowich,2019-07-12 Identifies collections held by public and university libraries historical societies and other institutions as well as private collections with material relating to any subject and historical period and to the widest geographical area under imperial or Soviet rule Includes movements for example

Picturing Russia Valerie Ann Kivelson,Joan Neuberger,Associate Professor of History Joan Neuberger,2008-01-01 What can Russian images and objects a tsar s crown a provincial watercolor album the Soviet Pioneer Palace tell us about the Russian people and their culture This wide ranging book is the first to explore the visual culture of Russia over the entire span of Russian history from ancient Kiev to contemporary post Soviet society Illustrated with more than one hundred diverse and fascinating images the book examines the ways that Russians have represented themselves visually understood their visual environment and used visual images in social and political contexts Expert contributors discuss images and objects from all over the Russian Soviet empire including consumer goods architectural monuments religious icons portraits news and art photography popular prints films folk art and more Each of the concise and accessible essays in the volume offers a fresh interpretation of Russian cultural history Putting visibility itself in focus as never before Picturing Russia adds an entirely new dimension to the study of Russian literature history art and culture The book enriches our understanding of visual documents and shows the variety of ways they serve as far more than mere illustration

Catalogue of the Russian Section Russia. Ministerstvo finansov,1893 [St Petersburg and the Russian Court, 1703-1761](#) P. Keenan,2013-06-24 This book focuses on the city of St Petersburg the capital of the Russian empire from the early eighteenth century until the fall of the Romanov dynasty in 1917 It uses the Russian court as a prism through which to view the various cultural changes that were introduced in the city during the eighteenth century

The Russian Revolution and Civil War 1917-1921 Jonathan Smele,2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As

such it identifies these crucial years as something more than simply the creation of a communist state

Independent Music in Russia Marco Biasioli, 2025-06-27 This book explores Russian independent music nezavisimaia muzyka in a time of profound transformations in Russian society looking especially at the mutual influence between music and the socio political context in which it was created Contrary to what is commonly believed the book argues that nezavisimaia muzyka as a widespread form of non state sponsored culture was not necessarily oppositional to the Russian state instead it was rooted in identity quests that could overlap with some aspects of the official narrative as they could mock disrupt and refashion others The book demonstrates that Russian independent music is considerably more than the creation appreciation and dissemination of sounds For the practitioners to get involved in the scene is to participate in the construction of cultural legitimacy imagined communities and national identity involving values that can be cosmopolitan Western conservative supposedly Russian and often a mixture of all these In addition the book examines Russian independent music's interaction with Western and global trends and assesses its successes and failures in conquering a niche in foreign markets This book will be of interest to scholars of Russian culture media and politics as well as to scholars of popular music sociology national identity and Russia West relations

Hybridity in Life Writing Arnaud Schmitt, 2024-04-28 This book offers new perspectives on text image hybridity in the context of life writing Each chapter explores the very topical issue of how writers and artists combine two media in order to enhance the autobiographical narrative and experience of the reader It questions the position of images in relation to text both on the page and in terms of the power balance between media It also shows how hybridity operates beyond a semantic and cultural balance of power as the combination of text and images are able to produce content that would not have been possible separately Including a range of life writing and different visual media from paintings and photography to graphic memoirs and social media this edited collection investigates the point at which an image whether fixed or moving enters the autobiographical act and confronts the verbal form

Representing Russia's Orient Adalyat Issiyeva, 2021 Building on long forgotten archives and detailed case studies Representing Russia's Orient reveals how complex representations of oriental subjects in nineteenth century Russian art music which often merged elements of East and West contributed to the formation of Russia's national identity

The Russian Empire, 1997

Dressing up for War, 2021-11-22 From the contents Laurie KAPLAN How funny I must look with my breeches pulled down to my knees nurses memoirs and autobiographies from the Great war Peter BUITENHUIS The perversion of motherhood the trope of the son at the front Renate PETERS The metamorphoses of Judith in literature and art war by other means Lorrie GOLDENSOHN Towards a non combatant war poetry Jarrell Moore Bishop

Bootleg! The Rise And Fall Of The Secret Recording Industry Clinton Heylin, 2010-03-04 An absorbing account of the record industry's worst nightmare In the summer of 1969 Great White Wonder a collection of unreleased Bob Dylan recordings appeared in Los Angeles It was the first rock bootleg and it spawned an entire industry dedicated to making unofficial recordings available to true fans Bootleg

tells the whole fascinating saga from its underground infancy through the CD protection gap era when its legal status threatened the major labels monopoly to the explosion of trading via Napster and Gnutella on MP 3 files Clinton Heylin provides a highly readable account of the busts the defeats and victories in court the personalities many interviewed for the first time for this book This classic history has now been updated and revised to include today s digital era and the emergence of a whole new bootleg culture *Scenarios of Power: From Alexander II to the abdication of Nicholas II* Richard Wortman,1995 V 1 From Peter the Great to the death of Nicholas I *Mark Arnold Picks on the Beatles* Mark Arnold,2011-03-19 It s Comic Book and Animation Historian Mark Arnold s reviews on every song ever recorded by The Beatles group and solo released and unreleased Don t like my reviews Then write your own book *Encyclopedia of Nineteenth-Century Photography* John Hannavy,2013-12-16 The Encyclopedia of Nineteenth Century Photography is the first comprehensive encyclopedia of world photography up to the beginning of the twentieth century It sets out to be the standard definitive reference work on the subject for years to come Its coverage is global an important first in that authorities from all over the world have contributed their expertise and scholarship towards making this a truly comprehensive publication The Encyclopedia presents new and ground breaking research alongside accounts of the major established figures in the nineteenth century arena Coverage includes all the key people processes equipment movements styles debates and groupings which helped photography develop from being a solution in search of a problem when first invented to the essential communication tool creative medium and recorder of everyday life which it had become by the dawn of the twentieth century The sheer breadth of coverage in the 1200 essays makes the Encyclopedia of Nineteenth Century Photography an essential reference source for academics students researchers and libraries worldwide
