ethnonationalist tensions the zamindari system and conspiracy thinking The book offers a range of representations of how and whether collective belonging takes shape and illustrates how the Pakistani novel in English often overshadowed by the proliferation of the Indian novel in English complements Pakistani multi lingual literary imaginaries by presenting alternatives to standard versions of history and by highlighting the issues English language literary production bring to the fore in a broader Pakistani context It goes on to look at the literary devices and themes used to portray idea nation and state as a foundation for collective belonging The book illustrates the distinct contributions the Pakistani novel in English makes to the larger fields of postcolonial and South Asian literary and cultural studies **Strings Attached** Suzanne Clay,2022-01-28
