**The Cowboy's Forbidden Bride** Megan Crane, 2024-09-05 Wilder Carey has always enjoyed living up to his name. When he spots pretty Cat Lisle in the seediest bar around, he ignores the bad blood between their families to step in. But his uncharacteristic good intentions scatter when she kisses him, and this unrepentant heartbreaker faces three uncomfortable truths. He's been nursing an attraction to an innocent. He's not a man built to resist temptation. And Cat is not only not the little girl he's been pretending she is, she might be the one woman worth the trouble. Cat's over being well behaved, but thanks to her grumpy and overprotective older brothers, she's had no choice. Now that she's ready to ruin her reputation, she licks into an encounter with the cowboy of her hottest fantasies. Cat knows she's supposed to avoid the Carey family, but Wilder is everything deliciously naughty, and if she doesn't take her shot, she'll regret it forever. Soon Wilder is secretly teaching her every sexy trick he knows, and Cat is falling in love. But what happens when sworn enemies want to go public?

Ezra has a criminal past he'd like to escape, so when his boss pushes him too far, he runs, only to get shot in the back. **The Cowboy's One Night Bride** Lolita London, 2015-10-25 Anthony's an eligible bachelor, and he's finally been convinced to put aside his womanizing ways to settle down. He needs a wife and children to share his wealth with, and his friend convinces him that an oriental woman named Feng Ling is the submissive woman he needs. When he sees her step out of the train, he notices a few things straight away. She's shy. She's pretty. She's definitely not Chinese. Gianna is a headstrong young woman, and she's there for a reason. But she'll have to learn to be submissive if she plans on living under Anthony's roof, where even the slightest infraction can lead to her being bent over his lap and punished in a way she's ashamed to say she enjoys. She'll need to choose between what her head is telling her and what her heart is telling her when she's faced with a dilemma that threatens to change her life and marriage forever. One leap of faith will change her life forever. This is an explicit historical romance.
