The Probability of Mormonism As Divine R. Keith Widdowson, 2014-12-10 Is Mormonism divine at the truth level If not what level is it This question and others are addressed in the book *The Probability of Mormonism as Divine* 1 Where did Mormonism come from 2 What is the validity of it 3 Who is the Mormon God 4 How open is it 5 What are its strengths and weaknesses 6 What is the likelihood of divinity And 7 What is a reasonable position to hold The author believes religion is subjective and a special method is needed to assess it He uses Bayes probability theorem to study all the evidence both for and against Mormonism Many Mormons say they know the church is true and the Book of Mormon is the word of God Do they really know it Does the probability level support it If not is it at the belief level of likelihood belief based on faith Or is it at the total disbelief level atheist This book addresses these Mormon issues and more by using the scientific method *The Mormon's Own Book* T.
