The Prospective Wife:

The Prospective Wife Kim Lawrence, 2011-01-17 Hired for marriage Matt Devlin is the ultimate millionaire playboy and irresistibly charming. The members of his family however are constantly trying to find him a suitable wife. Then Matt has an accident and his suspicions are aroused when blond beautiful Kat is hired to help him recover. But Matt is surprised at Kat's cool professionalism as a physiotherapist; maybe she is there to massage, not marry him. So why does he find her touch so arousing? Has he at last found his prospective wife? **Changing Marriage Patterns in Southeast Asia** Gavin W.

Jones, Terence H. Hull, Maznah Mohamad, 2015-08-04 Various forms of partnering such as officially registered marriages, cohabiting relationships and other kinds of relatively stable relationships are crucial in the formation of families throughout the world. Although today forms of partnering in the region are not restricted to formal marriage, the norm remains for couples to marry to establish a new family and to accept the cultural requirement to have children. This book provides a comprehensive and up-to-date picture of partnerships and marriage in the Southeast Asian region using quantitative data alongside qualitative approaches. Through the research of demographers, sociologists and anthropologists, it examines the way trends in the formation and dissolution of marriages are related to changes in the region's economy and society, illuminating both the broad forces affecting marriage patterns and the way these forces work out at the individual and family level. Presenting the variety of contemporary marriage patterns in the region with an emphasis on the ways in which marriage issues impinge on the welfare of those concerned, this book will be essential reading for students and scholars of Southeast Asia and the sociology of the family. **Hale on Wills**, *Elder Law Forms Manual* Margolis, 1999-07-21

Slavery in North Carolina, 1748-1775 Marvin L. Michael Kay, Lorin Lee Cary, 2000-11-09 Michael Kay and Lorin Cary illuminate new aspects of slavery in colonial America by focusing on North Carolina which has largely been ignored by scholars in favor of the more mature slave systems in the Chesapeake and South Carolina Kay and Cary demonstrate that North Carolina's fast growing slave population increasingly bound on large plantations included many slaves born in Africa who continued to stress their African pasts to make sense of their new world The authors illustrate this process by analyzing slave languages naming practices family structures religion and patterns of resistance Kay and Cary clearly demonstrate that slaveowners erected a Draconian code of criminal justice for slaves This system played a central role in the masters attempt to achieve legal political and physical hegemony over their slaves but it impeded a coherent attempt at acculturation In fact say Kay and Cary slaveowners often withheld white culture from slaves rather than work to convert them to it As a result slaves retained significant elements of their African heritage and therefore enjoyed a degree of cultural autonomy that freed them from reliance on a worldview and value system determined by whites

approaching this fascinating field for the first time **Suppers of Many Dishes II: My Odyssey to the West and Beyond**

Dr. Oliver Akamnonu, 2010-04-27 About the book The guns had barely gone silent after thirty months of a gruesome civil war The infrastructure in the theater of war had all but been completely battered A young final year high school student fresh from the ravages of war had gained admission into one of the only four universities in his forcibly reunited country to study medicine in the western region of the country A whole world of opportunities had been opened up An unfolding odyssey of eleven action packed years in the local West was to transform the emerging lover boy eaglet through the ranks of William Shakespeares lover sighing like furnace to the soldier full of strange oaths and bearded like the pard A short stint in party politics followed by leadership in professional politics pitched the young man against the powers that be These were to culminate into series of dangerously veiled duels that were to ultimately force the man to seek disguised refuge in the shores of the acclaimed West A new world a new horizon new scenes new challenges some uncanny solutions the main actor in the odyssey himself bares it all Encyclopedia of Domestic Violence Nicky Ali Jackson, 2007-12-11 The Encyclopedia of

Domestic Violence is a modern reference from the leading international scholars in domestic violence research The first ever publication of an encyclopedia of domestic violence the principal aim of this title is to provide information on a variety of traditional and breakthrough issues in this complex phenomenon **Encyclopedia of Domestic Violence** Nicky Ali Jackson, 2007-12-11 The Encyclopedia of Domestic Violence is a modern reference from the leading international scholars in domestic violence research This ground breaking project has created the first ever publication of an encyclopedia of domestic violence The primary goal of the Encyclopedia is to provide information on a variety of traditional as well as breakthrough issues in this complex phenomenon The coverage of the Encyclopedia is broad and diverse encompassing the entire life span from infancy to old age The entries include the traditional research areas such as battered women child abuse and dating violence However this Encyclopedia is unique in that it includes many under studied areas of domestic violence such as ritual abuse torture within families domestic violence against women with disabilities pseudo family violence and domestic violence within military families It is also unique in that it examines cross cultural perspectives of domestic violence One of the key special features in this Encyclopedia is the cross reference section at the end of each entry This allows the reader the ability

to continue their research of a particular topic This book will be an easy to read reference guide on a host of topics which are alphabetically arranged Precautions have been taken to ensure that the Encyclopedia is not politically slanted rather it is hoped that it will serve as a basic guide to better understanding the myriad issues surrounding this labyrinthine topic Topics covered include Victims of Domestic Violence Theoretical Perspectives and Correlates to Domestic Violence Cross Cultural Perspectives and Religious Perspectives Understudied Areas within Domestic Violence Research Domestic Violence and the Law and Child Abuse and Elder Abuse **Before You Say I Do Again** Benjamin Berkley, 2009 Bookshelves are filled with warm and fuzzy titles authored by psychologists and family counselors Their message is to teach how to listen to each other and improve the relationship Before You Say I Do Again is not a how to book to get back together or to stay together Instead it takes the gloves off and provides insight as to the issues one must consider before walking down the aisle a second time Tackling a serious subject but presented in a sometimes whimsical fashion it puts the brakes on the wedding ceremony and provides the reader with the questions that must be answered before he or she drives down the path of destruction
