The Queen And I:

The Queen and I Sue Townsend, 2012 THE MONARCHY HAS BEEN DISMANTLED When a Republican party wins the General Election their first act in power is to strip the royal family of their assets and titles and send them to live on a housing estate in the Midlands Exchanging Buckingham Palace for a two bedroomed semi in Hell Close as the locals dub it caviar for boiled eggs servants for a social worker named Trish the Queen and her family learn what it means to be poor among the great unwashed But is their breeding sufficient to allow them to rise above their changed circumstance or deep down are they really just like everyone else

The Queen and I Sydney L. Iaukea, 2012 The Queen and I will be a very important contribution to historical and political literature on early twentieth century Hawai i But through its intensely personal narrative it could have an even greater impact on the way people look at history Sydney Iaukea weaves archival information into a story about a well known historical figure while demonstrating the impact of these archival voices on herself In this way she binds herself to her ancestor and allows him to speak through her showing how an ancient value can be a new methodology for Native writers in indigenous studies Jonathan Kay Kamakawiwo ole Osorio author of Dismembering Lahui A History of the Hawaiian Nation to 1887 Raised in Maui s housing projects Sydney Iaukea discovers as an adult that she is the direct descendent of Curtis P Iaukea a prominent statesman and trusted adviser to Queen Lili uokalani the Hawaiian Kingdom s last ruling monarch In this courageous work she documents her dual quest to recover her lost lineage and her ancestor s historical importance Revealing the continuity between public and private personal and historical Sydney Iaukea s compelling narrative brings her readers face to face with Lili uokalani during the tragic days of her overthrow Mary Palevsky author of Atomic Fragments A Daughter s Questions For those of us born and raised in Hawai i Sydney Iaukea s work sheds light on a period of time about which we still know too little the overthrow of Hawai i s sovereign government and its forcible annexation to the U S This is a compelling narrative driven by the mystery of a girl growing up poor unaware of her distinguished lineage How could this disconnect have occurred Through the exploration of memories embedded in the landscape Iaukea ultimately links displacement dispossession and familial strife to Hawai i s troubled history with the U S Iaukea is to be commended for her honest and open heart Matthew M Hamabata Executive Director The Kohala Center
