The Rapture 2028 America S Countdown To Apocalypse:

The Rapture 2028: America'S Countdown to Apocalypse! David Netherton, 2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist Gods will today 2 Peter 3 9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16 13 14 **The Real Apocalypse** Daniel Baker, 2021-03-11 Did you know the Bible reveals the day Jesus Will Set Foot on Earth Again With all of the current upheaval and chaos the world is hurtling toward the system of Antichrist at blinding speed Now more than ever hope is required You will find it here This book is a unique topical approach to understanding end times Bible prophecy with fresh insights Also discover Who or what is the Restraint Are travel and technology really last days prophecies What it means to endure to the end When is Armageddon The covert mission of Jesus Is there a great falling away of the Church before Jesus returns What is the Door of Hope Who are the elect More than one Gospel **The End of the World** Tom McIver, 1999 This bibliography contains careful and bias free annotations of close to 3 500 works written over many centuries about the end of the world predominantly but not entirely from a Christian perspective The books pamphlets websites and selected other media cover a wide variety of eschatological beliefs from the numerous fundamentalist scenarios to the mystical and the violent and include such topics as the Tribulation the Rapture the Millennium Armageddon the Second Coming the Antichrist and the Apocalypse Works on other major religions such as Judaism Islam the mythos of popular cultures Mayan prophecies Norse Ragnarok UFO occult and psychic theories Heaven s Gate Nostradamus and secular theories Y2k computer chaos can be found The work is in four parts plus indexes Entries in the pre 1800 part are arranged chronologically beginning with the Books of Enoch in the second

century BC Other entries are arranged alphabetically within the three chronological subdivisions of 1800 1910 1910 1970 and post 1970 All include full bibliographic information and annotations regarding format type of work theme the author s background the category of theories espoused distinctive or notable characteristics the intended readership and the significance of the work There are cross references to works by the same author An introduction describes major types of beliefs outlines basic Fundamentalist end of the world scenarios summarizes Biblical sources and explains important terms concepts and relationships among sources The work is extensively indexed by author title and subject [The Disconnect](#) Roisin Kiberd,2021-03-04 We all live online now but what does that mean in IRL How do strange subcultures on reddit affect our local shopping centres what do night gyms owe to Twitter and where can we really go to get some decent sleep Our every move online is watched but can we see ourselves In these wide ranging witty essays Roisin Kiberd offers immersive insight into the strange worlds habits and people who have grown up with the internet and shows the way our world is changing to fit the online fever dream Unsettling clear sighted and perversely fun she traces the lines between Netflix and nap hotels vaporwave music and camgirls self optimisation and insomnia dating apps and a grand unified theory of Monster Energy Drinks As well as holding up the zeitgeist for scrutiny she turns an equally frank eye on her own life online and asks what we have gained what we have lost and what we have given willingly away in exchange for this connected world **The Impending Great Tribulation Apocalypse** Mike Penrod,2016-08-10 There is one chapter in the book of Revelation in which all nine subjects some in imagery are the same and in the same order as another chapter in the Bible This explains where we are on the apocalyptic time line Mike Penrod The Greatest Suffering the World Will Ever Know There is a social phenomenon occurring now which is prophetically timed to start accelerating during the four blood moon sequence from 2014 through 2015 This will affect almost everyone some people may even think they are living in the Great Tribulation Apocalypse before it starts The split verses are explained [Apocalypse Countdown 2015 To 2021](#) Robert Rite,2015-01-01 Many prophetic signs are converging in 2015 making it quite possible that 2015 may be the harbinger year warning that the apocalypse is imminent For this reason I believe that this publication is one of the most important that I have ever penned Among the many crucial end time prophecies and topics that you will discover are You will discover all of the key prophecies from all of the great ancient prophets The key signs of the time of the end 2015 the Harbinger Year Where is America in Bible Prophecy The rise of America The coming fall of America Who is Babylon the Great America Why will Babylon the Great be Destroyed Who will Destroy Babylon the great How will Babylon the Great be Destroyed Where will the antichrist establish his headquarters What nations will comprise the ten nation end time Empire Why is Jerusalem such a Burdensome Stone What are the Consequences of Dividing up God s Land The mystery of the Shemita blessings and curses The Jubilee year connection The month of September and its link to financial and national disasters Why there is more to 9 11 than most think The coming seven trumpet judgments Who is the Beast of Revelation Who is the 666 the antichrist Why will so many

Berreth,2018-12-03 This is an original work on Bible prophecy revealing a plan

going back some 3 500 years and a series of exact day counts that began in 706 BC and lead directly to our generation It reveals why our Creator punished the Hebrew people for 2 570 prophetic years until May 13th 1948 The Covenant punishment is now over and Israel is in a time of blessing as a people and a nation A new set of day counts has begun that take us to Daniel s seventieth week the Great Tribulation called the Time of Jacob s Trouble by the Bible the Battle of Armageddon the Messiah s second advent the start of the millennial kingdom and much more All of this is on exact day counts in Bible prophecy Along the way we will learn how the Hebrew fast days are used to control the start and end of Daniel s seventieth week the start of the millennial kingdom and much more This is a journey of discovery of secrets hidden in plain sight in the Bible for us to find secrets that affect us our children and our entire generation Millions of people are about to die as the Great Tribulation overtakes the earth and gives birth to the Messiah at his second advent as it ushers in the one thousand year millennial kingdom all on exact dates in Bible prophecy This is a book about what you can know about future events so you can prepare yourself physically and spiritually for what is coming upon the earth It s a great time to be alive and witness the second advent of the Messiah in our generation *Trumpocalypse* Paul McGuire,Troy Anderson,2019-01-08 From the authors of the international bestseller *The Babylon Code* comes an explosive expos of the chilling truth about the fierce opposition to the Trump presidency and why the globalist elite and Deep State will stop at nothing assassination military coup staged economic collapse or worse to overthrow him *Trumpocalypse* It s the media coined meme inciting panic and fear that America has elected an unstable man who will barge into delicate international affairs like a bull in a china shop and incite nations bent on America s destruction to trigger World War III an unprecedented nuclear apocalypse ending the world as we know it But is the media telling us the truth No say internationally recognized prophecy expert and Fox News and History Channel commentator Paul McGuire and Pulitzer Prize nominated investigative journalist Troy Anderson America s most insidious enemies are not hostile nations they are elite globalists the Establishment that is making the 1 percent even richer while working and middle class people watch their incomes and net worth s flatline or plummet The authors fearlessly expose the globalist elite s secret plan for humanity and campaign of mass deception Using documentation gleaned from years of journalistic investigation and extensive interviews with over fifty of the world s most respected geopolitical economic and military affairs experts faith leaders and biblical scholars McGuire and Anderson unmask these elites as members of secret societies with deep occult connections who have gained control of America s dominant institutions government education entertainment international banking and even the media *Trumpocalypse* explores the enigmatic prophecies and biblical codes involving Trump and asks whether God raised up President Trump as a fearless leader to guide America and the free world through a series of major crises as the biblical end time narrative unfolds as many people with prophetic gifts are predicting and shows why everyday Americans and evangelicals have rallied around Trump as their last hope of saving America and averting the horrors of the Apocalypse It further reveals why Trump and
