seconds how would you live the rest your life Stones While on vacation my son pointed out the unusual rock formations and asked why the land was sacred I told him that when people see something rare something unusual they are reminded it could only have come from God I believe that rare and unusual events in our lives are the very fingerprints of God My sons and I were reading the stories about Joshua conquering the land of Canaan and about how Joshua set up an Ebenezer stone to remind him that God had helped him I was explaining the concept and they decided that we need an Ebenezer stone so that we can remember how much God has helped us over this time and to remind us that we can trust Him and be brave in the future when we are scared This book is our family s Ebenezer our sacred stone God s fingerprint on our lives We hope that you enjoy reading it as much as I have enjoyed writing it Eight Sermons.
