The Rules of Being Friends Jessica Sorensen, My new life in Honeyton is becoming complicated It all starts when I hear my uncle talking about some sketchy stuff that may have to do with me I also think there might be more to Hunter and his friends than they re letting on like maybe we ve met before Not that everything is terrible Hunter and his friends are nice to me and they ve brought me into their group For the first time I think I might finally have some friends But a lot of mystery still surrounds me And I m still being blackmailed by someone I need to figure out the truth about my past and fast

Forget Me Not Jessica Sorensen, Being the new girl is always hard especially when you re socially awkward But when I move to Honeyton at the beginning of my senior year I try to look at it as a chance to start over And it kind of looks like I might succeed Not only do I make a new friend but I also meet Hunter Hunter is from a wealthy and rumor has it dangerous family He s known as the town bad boy and everyone in school seems to be afraid of him But he doesn t seem that scary to me and I end up becoming friends with him But not everything in this new town is what it seems Ever since I moved here I ve started having dreams that I ve been to this town before And everyone seems to have secrets Including Hunter Includes books 1 3 in the A Pact Between the Forgotten Series The Art of Being Friends The Rules of Being Friends and The Art of Kissing Enchanting Hadley Jessica Sorensen, My life is a mess even more so than when I thought I was human For starters I have to feed off Alex Blaise Jaxon and Rhyland or else I ll become a pile of ash And when I feed off them I ll become queen and rule over a kingdom I barely know Or do I Turns out having to feed off the guys is the least of my problems Not only are all sorts of creatures trying to destroy me but I start having these dreams that feel so vivid I swear they could be forgotten memories And if that s true then my life was never what I believed it was It feels like everything is a lie I need to Wreck Me Jessica Sorensen, 2015-04-15 I d heard stories of near death find out some answers before it s too late experiences although the tales never seemed to be the same Me I saw many things My son Myself My sins The stars And I also felt The feeling wasn t about me but about another as if someone was calling out to me begging me to come back That they needed my help Then the stars burned out And I thought I had died But I was wrong When Avery Hensley met Conner Wellings she thought she d found the guy she was going to spend the rest of her life with She got married young and had the most beautiful son in the world Life seemed perfect But not everything is what it seems Turned out Conner had another side to him a darker side that Avery didn t see coming He wrecked and broke her into a thousand pieces leaving Avery to put herself back together From then on Avery vows never to let a man into her life again But then she meets Tristan Morganson

He s sweet and sexy and wrecks Avery in a different way than Conner did the kind of way that makes her feel alive again the kind of way that makes her think maybe not all guys are bad But can Avery trust him enough to let her walls come crumbling down The Probability of Violet and Luke Jessica Sorensen, 2014-07-24 THE NUMBER ONE NEW YORK TIMES BESTSELLING AUTHOR Destined to be together Or has fate conspired to tear them apart Luke Price and Violet Hayes have been through a lot together but ever since they discovered a cruel connection from the past which shattered their relationship they haven t seen each other for months But when Luke gets into some gambling trouble with the wrong people destiny throws them together and they find themselves together on the road to Las Vegas to try and settle his debt As Violet spends time with Luke all her feelings come to the surface and she begins to wonder if going back to her old life was a mistake But just as Violet starts to open up to Luke again she receives a call with information that could change her life forever and forces her to question if there is anyone she can truly trust The Forever of Ella and Micha Jessica Sorensen, 2013-05-28 THE NUMBER ONE NEW YORK TIMES BESTSELLING AUTHOR Ella and Micha have been through tragedy heartbreak and love When they are with each other anything seems possible But now they are thousands of miles apart Ella continues going to school and tries to deal with her past desperate for Micha to be by her side but she refuses to let her problems get in the way of his dreams Micha spends his days traveling the country with the band but being away from Ella is harder than he thought He wants her closer to him needs her with him But he won t ask her to leave college just to be with him The few moments they do spend together are fleeting intense and filled with passion They know they want to be together but is wanting something enough to get them to their forever
