### **A Companion to the Reformation in Geneva** Jon

Balserak, 2021-02-01 A Companion to the Reformation in Geneva describes the course of the Protestant Reformation in the city of Geneva from the sixteenth to the eighteenth centuries. It explores the beginnings of reform in the city, the struggles the reformers encountered when seeking to teach, minister to, educate and discipline the inhabitants of Geneva, and the methods employed to overcome these obstacles. It examines Geneva's relations with nearby cities and how Geneva handled the influx of immigrants from France. The volume focuses on the most significant aspects of life in the city, examines major theological and liturgical subjects associated with the Genevan Reformation, and describes the political, social, and cultural consequences of the Reformation for Geneva. Contributors include Jon Balserak, Sara Beam, Erik de Boer, Michael Bruening, Mathieu Caesar, Jill Fehleison, Emanuele Fiume, Herv Genton, Anja Silvia Goeing, Christian Grosse, Scott Manetsch, Elsie McKee, Graeme Murdock, William G. Naphy, Peter Opitz, Jennifer Powell McNutt, Jameson Tucker, Theodore G. Van Raalte, and Jeffrey R. Watt. This volume is a scholarly and very accessible introduction to the Genevan Reformation that covers history, religious developments, and impact, balancing the perspectives of both historians and theologians. The contributors present an extraordinarily well-rounded view of Geneva during the Reformation. It will be a tremendous aid to scholarship and the book that the next generation of scholars will use both as a handy reference and as the starting point for future work. Amy Nelson Burnett, University of Nebraska-Lincoln. Remembering the Reformation Michael Root, James J. Buckley, 2017-12-13. In

1517 Martin Luther set off what has been called at least since the nineteenth century the Protestant Reformation. Can Christians of differing traditions commemorate the upcoming 500th anniversary of this event together? How do we understand and assess the Reformation today? What calls for celebration? What calls for repentance? Can the Reformation anniversary be an occasion for greater mutual understanding among Catholics, Orthodox, and Protestants? At the 2015 Pro Ecclesia annual conference for clergy and laity meeting at the Catholic University of America in Washington, DC, an array of scholars, Catholic and Orthodox, Evangelical, Lutheran, and American Evangelical, as well as Methodist, addressed this topic. The aim of this book is not only to collect these diverse Catholic and Evangelical perspectives but also to provide resources for all Christians, including pastors and scholars, to think and argue about the roads we have taken since 1517, as we also learn to pray with Jesus Christ that all may be one. John 17:21. **God Hovered Over the Waters** William A.

dePrater, 2015-03-25. On March 11, 2011, from deep within the earth's crust, enormous forces drove tectonic plates toward one another. In the collision, one plate riding over the other displaced massive amounts of water. The displaced water began racing toward the Japanese shoreline, each mile exponentially increasing in its fury. Coming ashore in Japan, the tsunami swept aside everything in its path as if they were small toys. In sixteenth-century Europe, there also was a collision of changing environmental, technological, educational, and political forces. Like the energy created by colliding tectonic plates in 2011, these surging and chaotic waters emerged from within the depths of human experiences and spiritual yearnings.

Through the guiding hands of the Holy Spirit these waters swept up the Reformation movement emptying it into theological lakes and streams across Europe Therefore to understand the Reformation movement one needs to comprehend these varied forces that moved it into reality The book further details the resulting contributions of the Reformation movements within Germany Switzerland the British Isles France and the Netherlands In conclusion the author addresses the lasting legacy of the Reformation for contemporary society and the means for a new congregational and governing body Reformation today
