The Riches Of His Glory A Biblical Analysis:

The Riches of His Glory Magnus Williams, 2014-11-04 The book's title is captivating; all will want to know his glory and the content of his riches. The book is written in five parts in a lucid and clear language. The content is well researched; all the information is Bible based. Most impressive is part five: Christians should believe the report of the Lord embedded in the Bible. His written word, as the author asserted, is also impressive as he brought his personal testimony right at the end only to buttress his experience in participating in various modes of worship by the main denominations: Anglican, Methodist, Roman Catholic, and Charismatic. In a subtle way, he corrected critics who are biased or prejudiced about other modes of worship. To quote: All denominations in Christianity worship God in a slightly different way, but rather each does it in accordance with God's word. In no way can these denominations operate in the same order of worship because the Bible makes a clear distinction on the different methods of worship, which I believe is the order of Heaven. He was able to bring out the diversified talents in which Christians made music a thing of joy in God's house, each unique to its own task. The book is informative, inspirational, and stimulating. It is highly recommended for theologians, students, as well as lay people. It can be appealing to Christians and Non-Christians, as all will be exposed to the wonderful revelation of The Riches of the Glory of God. Blanche O. O. Macauley, Director, Institute of Educational and Extra Mural Studies, Fourah Bay College, University of Sierra Leone. As I read this book, my trust, confidence, and belief in the finished work of Jesus Christ on the cross increased considerably. Salvation plan is so explicit in this book that I believe that whosoever reads this book, his faith and trust in the finished work of Christ will be increased. Victor B. Macauley, Retired Engineer, National Power Authority, Freetown, Sierra Leone. Riches of His Glory, a rich text of God's assurance of love in showing how He rescued man from darkness into His marvellous light. Olivet C. R. Williams, Editor, Mum, Sydney, Australia. The author clearly explained in this masterpiece work of the art of writing the eternal plan of God in rescuing mankind from the state of eternal condemnation to eternal victory in Christ. His message is so clear and direct that whosoever reads it would be in the position to make a decisive change in the way of life in order to attain glory both now and in heaven with God. It is a book of eternal value, not to be missed. Marjorie B. R. J. Hughes, Retired self-employed, Freetown, Sierra Leone. The book is informative, inspirational, and stimulating. It is highly recommended for theologians, students, as well as lay people. It can be appealing to Christians and Non-Christians, as all will be exposed to the wonderful revelation of The Riches of the Glory of God. Blanche O. O. Macauley, Director, IEES, FBC, USL, Sierra Leone. Man disobeyed God Almighty who created him, and hence he suffered agony and misery. However, God in His mercy sent Jesus to redeem man and grant him eternal life if he accepts what God has done. The story of mercy and restoration is worth reading. Magnus Williams has not only made new the timeless story of sin but has also reminded readers that salvation, though free, is available if they fully accept God in their lives. The story of salvation is never old. Dr. Stephen N. Macauley, Coordinator of Learning, Lowell Bennion Center, University of Utah, USA. **The Comprehensive Commentary**
