ROSENKRANS,2018 **The Rosenkrans Family in Europe and America (Classic Reprint)** Allen Rosenkrans,2015-08-04 Excerpt from The Rosenkrans Family in Europe and America It is said that an ungrateful generation neglects the memory of its fathers but Moses the inspired law giver cherished the memory of his fathers and made a record of them and of his people for the benefit of future generations Let us do likewise The people of the United States of America with their enterprising and impetuous spirit ever in quest of new discoveries and greater acquisitions have somewhat neglected the things of the past but a new era is now being inaugurated of National expansion and worldwide improvements and it behooves us as a Christian and a progressive people to treasure up the valuable things of the past and make provision for the future Among the leading nations of Europe genealogies have long been recorded and kept while in this country they have been neglected but during these latter days of invention and discovery and progress birth records are being made in the States and family genealogies are being multiplied and since the Rosenkrantz family is a titled and a distinguished one in Northwestern Europe and is at least honorable in this country why should not the names and doings of the American branch be recorded In offering to the public this genealogy of the Rosenkrans family in this country the compiler does not claim to have found and recorded the names of all the descendants of Harmon Hendrick Rosenkrans our first American ancestor yet he hopes in this volume to contribute materially to the reader s knowledge of the family both in Europe and America from the beginning of the family 1227 A D to this closing year of the nineteenth century and probably near the closing one of the present dispensation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Rosenkrans Family in Europe and America Allen Rosenkrans,2018-10-13 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
