fiction America as seen through Steinbeck's particular warp The work is long overdue for scholarly assessment Steinbeck's *Uneasy America* explores three main topics Part 1 explores genre and form to consider the degree to which the work is fiction or nonfiction Part 2 assesses Steinbeck's increasingly bleak assessment of America almost a jeremiad that warns citizens of ecological excess and political apathy Part 3 focuses on *Travels with Charley* as a road text travel adventure and literary influence This volume's authors offer rich scholarly insights and a wealth of stories facts and anecdotes about Steinbeck and the adventures and misadventures he and Charley met on the road Lively and groundbreaking the collection both enlightens and enlivens discussions of Steinbeck and of the twentieth century American book world
