*Writing Feminist Lives* Malin Lidström Brock, 2017-05-05 This book draws attention to the controversy that surrounds Betty Friedan Germaine Greer Gloria Steinem and Simone de Beauvoir's lives and the important role that their life stories have played in their feminist writing Directly and indirectly the four women have contributed to battles over feminism's meaning through autobiographically informed political writing Inevitably therefore their biographers are also participants in these battles yet not always on the same side as their subjects *Writing Feminist Lives* introduces a further fold of nuance into considerations of biography and feminism by showing that the biographers of the four women have made methodological choices that reflect their loyalty to or their scepticism towards competing ideological definitions of the exemplary feminist life

**Histories of Drug Trafficking in Twentieth-Century Mexico** Wil G. Pansters, Benjamin T. Smith, 2024-11-15 This work brings together a new generation of drug historians and new historical sources to uncover the history of the drug trade and its regulations While the US and Mexican governments developed anti drug discourses and policies which criminalized both high profile traffickers and small time addicts these authorities also employed the criminals and cash connected to the drug trade to pursue more pressing political concerns The politics socioeconomic relations and criminal justice system of modern Mexico have been shaped by these public and covert policies as well as by subnational histories of drug production and trafficking The essays in this study explore this complicated narrative and provide insight into Mexico's history and the wider contemporary global drug trade
