you'll never believe what God was wearing when times got tough and the mall closed "sam" seymour, annie "baba" pitts,2010-01-26 Thirteen of us hanging out at the mall on Saturdays having sleepovers every other weekend sharing histories working through our diversities our problems with our moms with boys with zits and being fat we were pretty sure we had it all together Until our losses began to stack up in the form of a close friend s death diversities that threatened to split us up parents losing their jobs in the deepening recession some of us losing our homes some losing our way on top of that the mall our favorite hangout haven on the planet closing its doors And then out of nowhere our lives began to change Mostly because of the mysterious woman that showed up toward the end of our eighth grade year and the way she shook up our lives forever *Time for English -- 1 ,1966* The 4-H Harvest Gabriel N. Rosenberg,2015-09-11 4 H the iconic rural youth program run by the U S Department of Agriculture has enrolled more than 70 million Americans over the last century As the first comprehensive history of the organization The 4 H Harvest tracks 4 H from its origins in turn of the century agricultural modernization efforts through its role in the administration of federal programs during the New Deal and World War II to its status as an instrument of international development in Cold War

battlegrounds like Vietnam and Latin America In domestic and global settings 4 H s advocates dreamed of transforming rural economies communities and families Organizers believed the clubs would bypass backward patriarchs reluctant to embrace modern farming techniques In their place 4 H would cultivate efficient capital intensive farms and convince rural people to trust federal expertise The modern 4 H farm also featured gender appropriate divisions of labor and produced healthy robust children To retain the economic potential of the best youth clubs insinuated state agents at the heart of rural family life By midcentury the vision of healthy 4 H ers on family farms advertised the attractiveness of the emerging agribusiness economy With rigorous archival research Gabriel N Rosenberg provocatively argues that public acceptance of the political economy of agribusiness hinged on federal efforts to establish a modern rural society through effective farming technology and techniques as well as through carefully managed gender roles procreation and sexuality The 4 H Harvest shows how 4 H like the countryside it often symbolizes is the product of the modernist ambition to efficiently govern rural economies landscapes and populations
