Virginia Woolf and Poetry Emily Kopley, 2021 Offers a thorough reinterpretation of the motivations and aims of Woolf's canonical work and provides a major case study of genre rivalry It is written in clear and lively language and maintains a narrative drive as it traces Woolf's reading and writing over her lifetime *Wickedness and Crime* Penny Crofts, 2013-10-30 The criminal legal system defines and authoritatively enacts the boundaries of permissible and impermissible behaviour with a focus on that which is prohibited or transgressive *Wickedness and Crime* Laws of Homicide and Malice seeks to expose the ways in which criminal law communicates and sanctions particular models of wickedness This book illuminates the intimate relationship of crime and definitions of wrongdoing A central contention of the book is that if a criminal legal system empty of normative content is undesirable and implausible then we must think critically about the types of models of wickedness that are communicated by criminal legal doctrine Through historical and contemporary analysis of the legal concept of malice Penny Crofts examines the types of models of wickedness that are established through criminal legal doctrine The book draws upon literature philosophy and jurisprudence to place wickedness at the centre of an account of criminal law Arguing that the current dominant idea of wickedness communicated in criminal law lacks nuance and clarity this book examines the implications in terms of the legal subject social responsibility and the jurisdiction of the legal system Through historical accounts of malice the book provides resources to enrich a contemporary jurisprudence of blaming A fascinating contribution to the study of law this book will interest criminal legal scholars who seek a deeper understanding of the complexity of the relationship between law and morality The book also provides a resource for legal theorists and philosophers of wickedness supplying a sustained example and analysis of the implications of types of models of culpability *Newhaven Court* Helen Murray, 2022-10-20 This is the house by Cromer town Built in 1884 as the grand summer home for the well connected Locker Lampson family the red brick turreted mansion Newhaven Court once sat high on a windswept hill above Cromer Before its dramatic destruction in flames nearly eighty years later the house played host to such eminent figures as Sir Winston Churchill Alfred Lord Tennyson Sir Ernest Shackleton illustrator Kate Greenaway and French tennis superstar Suzanne Lenglen It was a home where poets rubbed shoulders with politicians and aristocracy with artists and authors There was dance dining and song but also family tragedy and hidden love Follow the true story of Newhaven Court and its colourful inhabitants from the decadent years of the late nineteenth century and the elegant Edwardian era through the tragedy of the First World War and terrible conflict of the Second to the roaring twenties and the uncertain post war age *The Conan Doyle Notes: The Secret of Jack the Ripper* Diane Gilbert Madsen, 2019-06-07 The Conan Doyle Notes The Secret of Jack the Ripper uncovers clues as to why the dog did not bark in the night Sherlock Holmes concluded that it was because the intruder was known to the dog Madsen's new mystery questions whether the identity of one of the greatest criminals of all time Jack the Ripper was deduced by Conan Doyle Conan Doyle was already famous with his popular Sherlock Holmes stories
