The Complete Prophecies of Nostradamus Nostradamus, Mario Reading, 2009 Best selling author Mario Reading brings together a complete new translation and an original interpretation of all the known quatrains **The Prophecies of Nostradamus** Nostradamus, 2023-05-10 Greetings and happiness to Cesar Nostradamus my son Your late arrival Cesar Nostredame my son has made me spend much time in constant nightly reflection so that I could communicate with you by letter and leave you this reminder after my death for the benefit of all men of which the divine spirit has vouchsafed me to know by means of astronomy And since it was the Almighty s will that you were not born here in this region and I do not want to talk of years to come but of the months during which you will struggle to grasp and understand the work I shall be compelled to leave you after my death assuming that it will not be possible for me to leave you such writing as may be destroyed through the injustice of the age e key to the hidden prediction which you will inherit will be locked inside my heart

The Complete Prophecies of Nostradamus Nostradamus, 2013-01-03 Here are the complete prophecies of Nostradamus Nostradamus is the best known and most accurate mystic and seer of all times There are those who say that he predicted Napoleon and even the attack on the World Trade Center Read the prophecies and judge for yourself **The True Prophecies: Prognostications of Michael Nostradamus** Michael Nostradamus, It is not unusual for Calumny to follow the best Wits and those whom God hath endowed with so extraordinary Talent upon weak and slight grounds It is not also unusual for Men to side easier with calumny against innocent persons then with those truths that justify them therefore no body ought to wonder if Michael Nostradamus hath been so much cried down and defamed by several Authors being in the number of those extraordinary persons whom God had privileged with that grace so much desired by curious Men viz the knowledge of future events Besides that there was four things in him which might have been the grounds of this diffamation The first was the vulgar life which he led in the Roman Catholik Religion which seemed to bear no proportion with such an extraordinary favour of God The second was his application to judicial Astrology which is condemned by many learned Men and detested by those that pretend to ignorant devotion The third was a suspicion brought by his enemies and many devout persons in his time that he was a Negromancer and had familiarity with the Angel of darkness The fourth was the obscurity of his Stanza s which was made worse by the enormous faults of those that first Copied them and by the carelessness of the Printers In consequence of the first Objection calumny hath endeavoured to place him among the false Prophets because scarce any body can persuade himself that there being among the Faithful so many Illustrious persons in Holiness and Learning the Holy Ghost would have made choice of a common person and to reveal him so many rare secrets concerning the future Estate of his Church and of those Kingdoms that acknowledge her for their Mother seeing that the Holy Scriptures shew us that the knowledge of future things chiefly if it be extraordinary in its extent is a special Privilege wherewith God honoureth his most faithful Servants And to say truth when the Holy Fathers and the Interpreters of the Scripture speak of

the Prerogatives of the Apostle St John they make the chiefest to be that by which being full of Prophetical Spirit he foretold the future Estate of the Church and in the Old Testament so many Prophets were so many Miracles and Prodigies of Holiness and the only name of Prophet in the Scripture is the most glorious Title that is given to those that were Gods most faithful Servants If we find in the Scripture that Balaam hath Prophesied notwithstanding his perfidiousness and that the High Priest Caiaphas notwithstanding his wicked design of murdering Christ hath also Prophesied it was only for a few things and in such cases where God would singularly shew forth his Glory by those that would have smothered it How can we then believe the same of Nostradamus who had not so much as an extraordinary atom of Christian piety by which he might have been so much priviledg d of God as to know by his Divine Light the future Estate of the Church her Persecutions and her Victories from the year 1555 to the end of the World Can it be possible that a Physician an Astrologer and one of the common sort of people should have been chosen of God among so many thousands his betters to impart unto him those Graces which have been the reward of the purity and holiness of his Apostles and of the faithfulness of St John the Evangelist This seemeth altogether improbable to Christian piety

to predict an incredible number of events in world history including the French Revolution the Atomic bomb the rise to power of Adolf Hitler and the attacks of 11 September 2001 However no one has ever proved that Nostradamus's quatrains can provide reliable data for the foreseeable future Nostradamus had the visions which he later recorded in verse while staring into water or flame late at night sometimes aided by herbal stimulants while sitting on a brass tripod The resulting quatrains four line verses are oblique and elliptical and use puns anagrams and allegorical imagery Most of the quatrains are open to multiple interpretations and some make no sense whatsoever Some of them are chilling literal descriptions of events giving specific or near specific names geographic locations astrological configurations and sometimes actual dates It is this quality of both vagueness and specificity which allows each new generation to reinterpret Nostradamus [The Complete](#)
