THE HUMOR OF THE AMERICAN PRESIDENT

The Reagan Wit The Humor Of The American President

Louis L. Picone

The Reagan Wit The Humor Of The American President:

The Reagan Wit Bill Adler, 1997-12-17 Legendary for his clever gibes bits of wisdom and ability to laugh at himself Ronald Reagan endeared himself to the public from the moment he entered the political arena Few presidents have been so frequently quoted for their one liners or quick comebacks Now for the first time The Reagan Wit offers the Reagan humor in hundreds of quotations both famous and unfamiliar from every phase of his life all in his own words Following Reagan through his youth college years military service acting career two terms as governor of California presidency and post presidency The Reagan Wit takes a look at endless priceless moments Included here are well known gems like Honey I forgot to duck after the assassination attempt on him as well as lesser known but equally entertaining statements such as Im not worried about the deficit its big enough to take care of itself capturing the charm that has made Reagan a revered figure Whether hes playing a mischievous college prank cajoling his staff members or jousting with the press The Reagan Wit gives an all encompassing and hilarious portrait of Reagans remarkable comic timing

The Games Presidents Play John Sayle Watterson, 2021-04-27 This look at the connections between sportsmanship and statesmanship introduces an intriguing way of evaluating presidential fitness for office Richmond Times Dispatch Whether throwing out the first pitch of the baseball season fishing for trout or cheating at golf American presidents through history have had connections to the world of sports in many ways This book explores how various commanders in chief worked and played and how their athletic activities reflected their political identities The author considers George Washington whose athleticism contributed to his success on the battlefield and perhaps to the birth of the republic He moves into the nineteenth century when frontier sports were part of the formative years of Jackson Lincoln and Cleveland With twentieth century presidents most notably the hyperactive headline grabbing Teddy Roosevelt he shows how the growth of mass media and transportation transformed presidential sports into both a form of recreation and a means of establishing a positive image Exploring everything from FDR s fight to restore his polio ravaged body to Eisenhower s obsessive love affair with golf to Nixon s enthusiasm for football this book uses sports to open a window onto the presidency and the nation s culture as well as the strengths weaknesses and personalities of America s leaders Watterson s history rises above trivia in its attention to the political ramifications of presidents sports while also being a consistently entertaining trove of lore and as the author puts it just weird stuff such as John Q Adams granting an interview while skinny dipping A wry and perceptive work Booklist An enjoyable study of politics and culture Publishers Weekly Will appeal to history buffs and sports fans alike Library Journal

The Reagan Wit Ronald Reagan, 1981

Strange Bedfellows Russell Peterson, 2008-03-05 It is no coincidence that presidential candidates have been making it a point to add the late night comedy circuit to the campaign trail in recent years In 2004 when John Kerry decided it was time to do his first national television interview he did not choose CBS s 60 Minutes ABC s Nightline or NBC Nightly News Kerry picked Comedy Central s The Daily Show When George W Bush was lagging in the polls his appearance

on the David Letterman Show gave him a measurable boost Candidates for the 2008 presidential election began their late night bookings almost as soon as they launched their campaigns How can this be The reason is that polls have been consistently finding that a significant number of Americans and an even larger proportion of those under the age of thirty get at least some of their news about politics and national affairs from comedy shows While this trend toward what some have called infotainment seems to herald the descent of our national discourse the triumph of entertainment over substance the reality according to Russell L Peterson is more complex He explains that this programming is more than a mere replacement for traditional news outlets it plays its own role in shaping public perception of government and the political process From Johnny Carson to Jon Stewart from Chevy Chase s spoofing of President Ford on Saturday Night Live to Stephen Colbert s roasting of President Bush at the White House Correspondents Dinner Strange Bedfellows explores what Americans have found so funny about our political institutions and the people who inhabit them and asks what this says about the health of our democracy Comparing the mainstream network hosts Jay Dave Conan and Johnny before them who have always strived to be equal opportunity offenders to the newer edgier crop of comedians on cable networks Peterson shows how each brand of satire plays off a different level of Americans frustrations with politics

Humor in the White House Arthur A.

Sloane,2001-03-23 I heard one presidential candidate say that what this country needed was a president for the 90s Ronald Reagan once said I was set to run again I thought he said a president in his 90s Abraham Lincoln in one instance was able to put a serious injury in a humorous light in response to a young woman s question about where a soldier was wounded Lincoln replied Ma am the bullet that wounded him would not have wounded you Presidents often bring a sense of humor to the White House with them allowing the American public to catch a glimpse of their not so serious sides This book examines how five of the nation s funniest chief executives Abraham Lincoln Calvin Coolidge Franklin D Roosevelt John F Kennedy and Ronald Reagan used wit and humor to their advantage during their terms as president and how their management of the Executive Branch was thereby enhanced As a bonus the effective use of humor by several unsuccessful presidential candidates is surveyed

A Humorous Account of America's Past: 1945 to 2001 Richard T. Stanley,2011-04-27

In 1945 the United States was the most powerful nation in the world But an Iron Curtain soon surrounded Eastern Europe and by 1950 Americans were fighting in Korea In 1952 I Like IKE swept the nation and the Fabulous Fifties began GM sold the most cars gas was 29 cents a gallon and a new house cost 9 000 In 1955 following President Eisenhowers mild heart attack Americas favorite sick joke had Vice President Dick Nixon greeting Ike at the White House by saying Welcome back May I race you up the stairs The Fabulous Fifties of Marilyn Monroe and Elvis Presley gave way to riots Hippies and The Beatles during the Radical Sixties The 1960s began with JFKs New Frontier grew into LBJs Great Society and the Vietnam War and ended with Nixons Silent Majority and men on the moon Soon Nixon resigned Ford stumbled Carters brother sold Billy Beer and the star of Bedtime for Bonzo led the popular Reagan Revolution In 1989 Reagans Evil Empire collapsed Soon George

Bush was victorious over Iraq and Panama and lost to Bill Clinton in 1992 Clinton was eventually impeached and was later replaced by another Bush Want more details Read my book **Encyclopedia of the American Presidency, Fourth Edition** Michael Genovese,2021-04-01 Praise for the first edition An altogether excellent introduction to the study of the presidency of the United States Library Journal entries are well written an excellent addition American Reference Books Annual an excellent resource recommended Booklist Highly recommended Choice The most up to date reference of its kind Encyclopedia of the American Presidency Fourth Edition is the definitive guide to the role of the president from the American Revolution through the present day Offering a complete account of the presidency in U S history this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the executive branch of the American government Its comprehensive scope spans the relationship between the executive and the other branches of government court cases elections political opponents scandals and more A valuable resource that provides concise information

Encyclopedia of the American Presidency Fourth Edition contains more than 750 entries Entries include Bully pulpit Commander in chief Economic policy Executive privilege Kamala Harris Impeachment Iraq War Thomas Jefferson Middle East Military tribunals New Deal Oval Office Franklin D Roosevelt Situation room Donald Trump Veto power War powers Watergate White House and more *The Quipster Founders: Surprising Wit & Wisdom from America's First Generation* Pasquale De Marco,2025-07-25 The Founding Fathers are often remembered as serious and stoic figures but they were also quick witted and humorous men In *The Quipster Founders* Pasquale De Marco explores the wit and wisdom of George Washington John Adams Thomas Jefferson and Benjamin Franklin revealing the lighter side of these iconic individuals Drawing from personal correspondence private memoirs and historical accounts this book uncovers the Founding Fathers penchant for incisive spirited humor Washington s tall tales Adams political satire Jefferson s wry observations and Franklin s electric wit come to life in these pages providing a fresh perspective on these legendary figures More than just a collection of jokes *The Quipster Founders* delves into the role of humor in the Founding Fathers lives and leadership They used humor to defuse tense situations to make their points more effectively and to simply enjoy life In an era marked by revolution and uncertainty their humor served as a vital coping mechanism helping them to navigate the challenges of nation building with a touch of levity But the Founding Fathers humor was not without its critics Some saw their jokes as unbecoming for men of their stature while others worried that their humor could undermine their authority However the Founding Fathers believed that humor was an essential part of their leadership They understood the power of laughter to unite people to break down barriers and to inspire hope *The Quipster Founders* not only provides a glimpse into the personalities of the Founding Fathers but also offers insights into the culture and values of early America Their humor reflects the optimism resilience and determination of a young nation facing the challenges of independence and self governance Through their wit and wisdom the Founding Fathers left a lasting legacy that continues to inspire us today *The Quipster Founders* is a celebration of their

humor and a reminder that even in the most serious of times laughter can be a powerful force for good If you like this book write a review Presidents as Military Officers, As Commander-in-Chief with Humor and Anecdotes Lee

McDowell,2021-02-14 A great deal of history can be learned by reading the policies of our 44 presidents This publication 45 chapters describes the military activity prior to the presidency as well as the Commander in Chief decisions of each president Important war battles are described with photographs For each president there is humor and anecdotes Of the 44 presidents 31 had served in the military Twelve were generals The most famous were Washington Jackson Taylor Grant Hays and Eisenhower Six Union veterans became presidents as did 8 who served in World War II Thirteen presidents would be considered heroes due to their conspicuous gallantry Other presidents who did not serve in the military but were effective while serving as Commander in Chief during War What Reagan Couldn't Tell Us Lawrence Nesbitt,2011-12 Many of Ronald Reagan s ways were not only unusual but seem to contradict his others Some authors are so perplexed by his nature they are reluctant to even assign intelligence to his mentality They suspect he operated on everything from instinct to hunches to gut feelings and guesses Lawrence Nesbitt s six years of extensive research has revealed a single psychological key that makes sense of the anomalies and contradictions He has uncovered a powerful and nearly unique mindset that directed almost all of Reagan s conduct then and causes the confusion now This unusual belief also explains how a man so old and riddled with flaws could accomplish so much and leave the presidency with an approval rating of nearly 70% the highest of any two term president in United States history Nesbitt shows the controlling role this mindset played in Reagan s youth in his years as a Hollywood actor during his tenure as California governor through his two terms as president and even later What Reagan Couldn t Tell Us offers a previously untold analysis of Reagan one that will encourage discussion for years to come I found Lawrence Nesbitt s explanation of what made Ronald Reagan tick very plausible fascinating and enlightening His revolutionary conclusions about the former president seem well founded on solid evidence He gives us a new Reagan to appreciate James D Mallory MD author former psychiatric director of Atlanta Counseling Center and medical director of RAPHA H.R. 3591--to Honor Ronald and Nancy Reagan with the Congressional Gold Medal United States. Congress. House. Committee on Banking and Financial Services. Subcommittee on Domestic and International Monetary Policy,2000

Guide to the Presidency Michael Nelson,2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the

illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton s Inaugural Address and another which provides results from elections and polls and statistics from each office Memorial Services in the Congress of the United States and Tributes in Eulogy of Ronald Reagan, Late a President of the United States ,2005 Contains texts of memorial tributes to the late President Ronald Reagan that were delivered in the Congress and the Senate Also includes information about President Reagan s funeral and memorial services held in Washington and California Focuses on the life character and public service of President Reagan

Talking with the President John Wilson,2015 This book provides a pragmatic analysis of presidential language Pragmatics is concerned with meaning in context or the relationship between what we say and what we mean John Wilson explores the various ways in which U S Presidents have used language within specific social contexts to achieve specific objectives This includes obfuscation misdirection the use of metaphor or ambiguity or in some cases simply lying He focuses on six presidents John F Kennedy Richard M Nixon Ronald W Reagan William F Clinton George W Bush and Barack H Obama These presidents cover most of the last half of the twentieth century and the first decade of the twenty first century and each has been associated with a specific linguistic quality John F Kennedy was famed for his quality of oratory Nixon for his manipulative use of language Reagan for his gift of telling stories Clinton for his ability to engage the public and to linguistically turn arguments and descriptions in particular directions Bush on the other hand was famed for his inability to use language appropriately

and Obama returns us to the rhetorical flourishes of early Kennedy In the case of each president a range of specific examples are explored in order to highlight the ways in which a pragmatic analysis may provide an insight into presidential language In many cases what the president says is not necessarily what the president means *The President Is Dead!* Louis L. Picone,2020-02-04 Updated Edition A fun anecdote filled encyclopedic look at the circumstances surrounding the deaths of every president and a few almost presidents such as Jefferson Davis Packed with fun facts and presidential trivia The President Is Dead tells you everything you could possibly want to know about how our presidents from George Washington to George H W Bush who was the most recent president to die met their ends the circumstances of their deaths the pomp of their funerals and their public afterlives including stories of attempted grave robbings reinterments vandalism conspiracy theories surrounding their deaths and much more The President Is Dead is filled with never before told stories including a suggestion by one prominent physician to resurrect George Washington from death by transfusing his body with lamb s blood You may have heard of a plot to rob Abraham Lincoln s body from its grave site but did you know that there was also attempts to steal Benjamin Harrison s and Andrew Jackson s remains The book also includes Critical Death Information which prefaces each chapter and a complete visitor s guide to each grave site and death related historical landmark An Almost Presidents section includes chapters on John Hanson first president under the Articles of Confederation Sam Houston former president of the Republic of Texas David Rice Atchison president for a day and Jefferson Davis Exhaustively researched The President Is Dead is richly layered with colorful facts and entertaining stories about how the presidents have passed Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home *America: The Last Best Hope (Volume II)* William J. Bennett,2008-04-06 Respected scholar William Bennett reacquaints America with its heritage in the second volume of America The Last Best Hope Volume II This engaging narrative slices through the cobwebs of time memory and prevailing cynicism to reinvigorate America with an informed patriotism *The Department of State Bulletin* ,1982 The official monthly record of United States foreign policy *Voice of America Interviews with Eight American Women of Achievement* Chantal Mompoullan,1985
