The Divine Purchase Douglas Vickers,2015-08-24 The contemporary church exhibits an elasticity and diversity of doctrine that at times sits oddly with biblical foundations The presuppositions that God is and that God has spoken too often give place to the assumed priority of the explanatory competence of human reason In that the theology of the church is captive to the thought forms of an Enlightenment rationalism on one hand or the looseness of postmodernist assumptions of individual autonomy on the other In those respects theological argument proceeds from man to God and not as in its biblically revealed contours from God to man The Divine Purchase calls the church back to a clear commitment to the gospel of redemption The kernel of the gospel resides in the apostolic statement that Christ purchased the church with his own blood That divinely ordained accomplishment projects the only remedy for the human condition in the present decaying culture and its intellectual uncertainty and confusion

Practically Identical Bibles: The Geneva Bible, the KJV, and the NKJV? Rick Norris,2017-09-03 This thought provoking book discusses a scripturally based view of English Bible translations such as the Geneva Bible the KJV and the NKJV It considers and responds to several KJV only allegations against the NKJV with many facts from the Geneva Bible the KJV and the NKJV It demonstrates that a consistent application of KJV only allegations would harm the KJV itself Problems with inconsistent human KJV only reasoning are properly exposed

Wagenaar,2023-03-27 Let the word of Christ dwell in you richly Col 3 16 Regain the art of meditation aided by simple versification of Scripture and hymnody that is firmly based on the word of God Aptly suited to enrich private or family devotions Gospel Musings An Anthology of Scriptural Poetry Hymnody brings new life to longstanding tradition Highlighting the doctrines of grace these poems promote Reformed theology in systematic and liturgical fashion As meditations put to music Gospel Musings engages in teaching and admonishing one another all the while bringing praise to our Lord Children and adults alike can use these songs to engage in thoughtful worship singing with grace in your hearts to the Lord

Authorized Mark Ward,2018-01-24 The King James Version has shaped the church our worship and our mother tongue for over 400 years But what should we do with it today The KJV beautifully rendered the Scriptures into the language of turn of the seventeenth century England Even today the King James is the most widely read Bible in the United States The rich cadence of its Elizabethan English is recognized even by non Christians But English has changed a great deal over the last 400 years and in subtle ways that very few modern readers will recognize In Authorized Mark L Ward Jr shows what exclusive readers of the KJV are missing as they read God s word In their introduction to the King James Bible the translators tell us that Christians must heare CHRIST speaking unto them in their mother tongue In Authorized Mark Ward builds a case for the KJV translators view that English Bible translations should be readable by what they called the very vulgar and what we would call the man on the street
