The Revelation Of Jesus Christ Third Millennium Ministries Book:

The Return of Oral Hermeneutics Tom Steffen, William Bjoraker, 2020-05-01 Have Western exegetes turned an Eastern book into a Western one Has our fondness for a fixed printed text capable of being analyzed with precision and exactitude blinded us to other hermeneutic possibilities Does God require all people to be able to analyze grammar to interpret Scripture Does God assume all people can interpret Scripture through oral means The authors recognize the effects of centuries of literacy socialization that produced a blind spot in the Western Christian world the neglect by most in the academies agencies and assemblies of the foundational and forceful role orality had on the biblical text and teaching From the inspired spoken word of the prophets including Jesus pre text to the elite literate scribes who painstakingly hand printed the sacred text to post text interpretation and teaching the footprint of orality throughout the entire process is acutely visible to those having the oral aural influenced eyes of the Mediterranean ancients Could oral hermeneutics be the mother of relational theology

The Divinity of Jesus Christ Revisited in the Third Millennium Leopold Sarr, 2012-12 Biblical Christianity is challenged today by other religions such as Hinduism Islam Mormonism Buddhism Jehovah s Witness Scientology to name a few including atheists and agnostics who claim that Jesus was simply a man a great teacher or guru or a prophet of God who worked his way to godhood Are such claims supported by the evidence Can we trust the Bible to tell us the truth about Jesus Is Jesus Christ truly God Can we find evidence of his deity in the Old Testament Does the New Testament affirm unequivocally that He is God Are there reliable non Christian sources that back such claims of deity This book aims at addressing these fundamental questions while providing solid internal and external evidence of the divinity of Jesus Christ In this age of plural spirituality thirst for truth and in need of an evidence based dialogue among various religions the book makes a compelling case for a closer scrutiny of prophecies contained in the Bible

Prophecy in the New Millennium Sarah Harvey, Suzanne Newcombe, 2013 This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complemented with contextualized primary source testimonies of those who live and have lived within a prophetic framework

Youth Ministry in Crisis Barry R. Harker, 2004-07 Author examines the practices and passions that are transforming and debasing contemporary youth ministry rock music magic clowning comedy drama mime puppetry sports extreme adventure activities youth fashions and movies and exposes the disturbing ideas that permit them to flourish in God's Church

The New Age of Soul Ray S. Anderson, 2001-11-27 In The New Age of Soul the broad appeal of new age spirituality is identified and defined with special attention to the claim that the soul may be understood as both the repository of divine energy and a source of spiritual healing and hope Through dialogue with sources and perspectives on the spiritual nature of the soul the book attempts to win the respect and appreciation of the reader already persuaded by the claims and benefits of new age spirituality while at the same time convincing the reader who has suspicions and concerns about new age spirituality that a better alternative may be found The book thus has a two fold purpose first to expose the inadequacy indeed the superficiality of new age spirituality through this dialogue and discussion attracting the attention and interest of the reader already influenced by this genre Second the author makes a case for a more traditional orthodox and biblical view of the soul and human spirituality so that the reader who is inclined toward new age spirituality will rediscover the more traditional biblical content of the soul and spirituality while providing the committed more traditional Christian reader a tool by which to communicate a biblical faith with the growing segment of our population attracted toward new age spirituality In its own way this book is an apologetic for a more traditional Christian theology of human spirituality and self identity presented in a positive dialogue with new age spirituality

The Coming New World Order Thomas J. Mueller, 2015-04-02 This book proposes a step by step blueprint for a better world There is a storm brewing on the horizon A new world order is coming based on all the trends and global pressures that is facing mankind today The question is who's world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man's vision and his world ruling government that has only produced war or God's vision and Christ's world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the prophesied Millennium It is our choice and we need to decide soon before we hit a

point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don't heed the warnings and change our ways Our message therefore is simple Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon and get ready for the Second Coming
