The Rondout Train Robbery:

The Great \$3,000,000 Train Robbery G. R. Williamson, 2021-05-16 This the true story of Willis Newton and his outlaw gang who robbed trains and over seventy banks more than Jessie James the Daltons and all of the rest of the Old West outlaws combined Their biggest haul occurred in 1924 when they robbed a train outside of Rondout Illinois getting away with 3 000 000 They still hold the record for the biggest train robbery in U S history G R Williamson interviewed Willis Newton a few months before the outlaw died in 1979 at age 90 then using transcripts from his interviews first hand accounts from eye witnesses newspaper articles police records and trial proceedings Williamson tells the true story of The Great 3 000 000 Train Robbery *The Old West's Infamous Train Robbers and Their Historic Heists* W.C. Jameson, 2023-07-01 What sort of person undertakes to rob a multi ton train surging down a set of rails at high speed For the Old West s most famous outlaws including Jesse James Butch Cassidy and the Sundance Kid the Dalton Gang and Black Jack Ketchum it was as much about the thrill of the crime as the riches to be won thumbing their noses at the authorities and getting away with their crimes more often than not These men and at least one woman were dare devils rule breakers adventurers and rebels In addition to their train robberies they led colorful dramatic and dangerous lives The Old West s Infamous Train Robbers and Their Historic Heists profiles sixteen noted train robbers or train robbing gangs along with the details of each their forty seven hold ups The mechanics of each of their train robberies planning execution and escape are dissected and discussed Pertinent background information relating to each outlaw gang is included as well as what became of them following their train robbery days *Great Rondout Train Robbery* Donald Clarahan, 1980 **Willis Newton** G. R. Williamson, 2021-01-20 This the true story of Willis Newton and his outlaw gang who robbed trains and over seventy banks more than Jessie James the Daltons and all of the rest of the Old West outlaws combined They robbed a number of banks at gunpoint but their specialty was hitting banks in the middle of the night and blowing the vaults with nitroglycerine One frigid night in January of 1921 they even hit two banks back to back in Hondo Texas Their biggest haul occurred in 1924 when they robbed a train outside of Rondout Illinois getting away with 3 000 000 They still hold the record for the biggest train robbery in U S history G R Williamson interviewed Willis Newton in 1979 at his home in Uvalde Texas A few months later the outlaw died at age 90 With a tape recorder running Newton rattled off the well practiced account of his life in machine gun fashion rationalizing everything he had done blaming others for his imprisonments and repeatedly claiming that he had only stolen from other thieves Speaking in a high pitched raspy voice Willis was quite articulate in telling his stories a master of fractured grammar He spoke in a rapid fire jailhouse prose using a wide range of criminal jargon that was sometimes difficult to follow but Williamson kept his tape recorder running changing cassettes as fast as possible The taped interview revealed the quintessence of a criminal mind Everything he had done was justified by outside forces Nobody ever give me nothing All I ever got was hell Over the course of the interview Willis told how he was raised as a child in the hard scrabble of West Texas

and how he was first arrested for a crime that they knowed I didn't do. He went into detail about his first bank holdup, how he greased safes with nitroglycerine, robbed trains, and evaded the lawmen that came after him. Willis described robbing banks throughout Texas and a large number of midwestern states, including another back-to-back bank heist in Spencer, Indiana. Eventually, he recounted the events of the Toronto Bank Clearing House robbery in 1923 and finally the great train robbery outside of Rondout, Illinois. He went into great detail about the beatings he and his brothers took from the Chicago police when they were later captured. As he told the story, his face reddened and his voice rose to a high-pitched screech until he had to pause to catch his breath. Then, lowering his voice, he described how he had managed to negotiate a crafty deal with a postal inspector for reduced prison sentences for himself and his brothers by revealing where the loot was hidden. He told about his prison years at Leavenworth and his illegal businesses he ran in Tulsa, Oklahoma, after he got out of prison in 1929. He complained bitterly about being sent back to prison in McAlester, Oklahoma, for a bank robbery they knowed I didn't do in Medford. Willis took great pride in saying that, "We never killed nobody; we was just in it for the money. Sure we shot a few people, but we never killed a single man." During his extensive research, Williamson uncovered evidence to dispel this myth that Willis insisted upon until his death. Now, Williamson, using transcripts from his interviews with Willis and others who knew the outlaw first-hand, accounts from eye witnesses, newspaper articles, police records, and trial proceedings tells the true story of The Last Texas Outlaw, Willis Newton. *Dillinger* George Russell Girardin, William J. Helmer, 2004-12-31. The inside story of one of America's most notorious criminals. *The Last Train Robber* W.C. Jameson, 2020-03-24. One of the most colorful parts of American History is the time of train robberies and the daring outlaws who undertook them in the period covering from just after the Civil War to 1924. For decades, the railroads were the principal transporters of payrolls, gold, and silver bonds, and passengers who often carried large sums of money as well as valuable jewelry. For the creative outlaw, trains became an obvious target for robbery. Willis Newton has never enjoyed the recognition and fame of the better-known train robbing outlaws such as Frank and Jesse James, Butch Cassidy, the Daltons, and the Doolins, but he was the most prolific and successful train robber in the history of North America. Newton stole more money from the railroads than all of the others put together. During his lifetime, Newton robbed six trains and an estimated eighty banks, pulled off the greatest train robbery ever, netting 3,000,000, yet remains virtually unknown. So unknown was he that despite all of his success as a robber, he was rarely identified as a suspect. Following his greatest heist, Newton and his gang member composed of his brothers were arrested, tried, convicted, and sent to serve long terms at Leavenworth Prison. When they were granted early release for good behavior, they lost no time in returning to robbing banks. Willis Newton's life and times as America's greatest and last train robber have been gleaned and developed from extensive interviews he granted during the 1970s when he was in his eighties. In addition, newspaper reports of his numerous train and bank robberies have been obtained and researched for precise details of robberies and pursuit. *American Detective* Thomas A. Reppetto, 2018-06-01. From the Roaring Twenties to the

1970s detectives reigned supreme in police departments across the country In this tightly woven slice of true crime reportage Thomas A Reppetto offers a behind the scenes look into some of the most notable investigations to occur during the golden age of the detective in American criminal justice From William Burns who during his heyday was known as America s Sherlock Holmes to Thad Brown who probed the notorious Black Dahlia murder in Los Angeles to Elliott Ness who cleaned up the Cleveland police but failed to capture the Mad Butcher who decapitated at least a dozen victims American Detective offers an indelible portrait of the famous sleuths and investigators who played a major role in cracking some of the most notorious criminal cases in U S history Along the way Reppetto takes us deep inside the detective bureaus that were once the nerve centers behind crime fighting on the streets of America s great cities including the FBI itself under the direction of America s top cop J Edgar Hoover According to Reppetto detectives were once able watchdogs until their role in policing became diluted by patrol strategies ranging from stop and frisk to community policing Reppetto argues against these current policing systems and calls for a return to the primacy of the detective in criminal investigations Purchase the audio edition [Texas Train Robberies](#) W.C.
