The Pirates Captive:

The Pirate's Captive Dana Ransom, 1987-08-01 **The Pirates' Code** Rebecca Simon, 2024-10-13 Fall captive to the code the real life buccaneer bylaws that shaped every aspect of a pirate's life Pirates have long captured our imaginations with images of cutlass wielding swashbucklers eye patches and buried treasure But what was life really like on a pirate ship Piracy was a risky sometimes deadly occupation and strict orders were essential for everyone's survival These Laws were sets of rules that determined everything from how much each pirate earned from their plunder to compensation for injuries punishments and even the entertainment allowed on ships These rules became known as the Pirates Code which all pirates had to publicly swear by Using primary sources like eyewitness accounts trial proceedings and maritime logs this book explains how each one of the pirate codes was the key to pirates success in battle on sea and on land **Black Beard, the Pirate; or, the Captive princess: a drama, etc**, 1822 **The Indian Captive** Matthew Brayton, 2022-09-16 In *The Indian Captive* Matthew Brayton masterfully weaves a tale of resilience and transformation set against the vivid backdrop of early American frontier life The narrative chronicles the harrowing experiences of its protagonist who navigates the complexities of captivity and cultural exchange with Indigenous tribes Brayton employs a lyrical yet accessible style blending historical detail with poignant character development which enhances the reader's emotional engagement Through meticulously researched anecdotes he provides nuanced insights into the sociopolitical dynamics of the era presenting a narrative that is both cautionary and celebratory of human endurance Matthew Brayton a historian and novelist deeply immersed in the study of Indigenous American history draws on his extensive research and personal connections to Native American communities His commitment to portraying an authentic representation of historical narratives stems from a desire to bridge the gap between past and present Brayton's academic background allows him to uncover stories often overlooked in mainstream literature thus enriching the broader understanding of early American life *The Indian Captive* is highly recommended for readers seeking not only an enthralling tale of survival but also a thought provoking exploration of cultural complexities Brayton's deft storytelling invites readers to reflect on the paradoxes of captivity identity and the fight for understanding in a turbulent historical landscape **The Pirate's Willing Captive** Anne Herries, 2010-02-08 Instinct told her that Captain Justin Sylvester was a man she could trust But how could this pirate who had just stormed her ship be a true man of honour Wolf's Captive M.J. Douven, 2011-10-27 He wanted to lead his men into battle He wanted his deeds to be remembered like those of his father and his grandfather before him He wanted victory and fame until one day he met a woman who challenged everything he believed in a woman who made a difference And his life was never the same Captive of My Desires Johanna Lindsey, 2023-08-08 After her mother's death Gabrielle Brooks sets sail to the Caribbean in search of her father discovers he has become a pirate and spends three happy years sailing with him His decision that she should return to London to find a proper husband leads to intrigue scandal and Gabrielle's passionate quest for revenge as she finds herself falling for a

carefree sea captain with no interest in matrimony **At the Point of a Cutlass** Gregory N. Flemming,2015-10-06 The astonishing true story of a young sailor's ordeal during the golden age of piracy *Julius Caesar* Joanne Mattern,2019-09-04 Caesar grew up to be a powerful politician general and leader He expanded the already powerful Roman Republic into new lands creating one of the most important civilizations in world history He fought against pirates other nations and powerful politicians who wanted to destroy him before meeting a bloody end at the hands of his fellow citizens In his amazing career Caesar changed the world and introduced many of the customs we still use today Learn more about this extraordinary man and the time in which he lived in this exciting biography of one of history's greatest leaders *A Seaman's Narrative of His Adventures During a Captivity Among Chinese Pirates on the Coast of Cochin China* Edward Brown (seaman.),1861 **The Pirate's Captive** Rod Harden,2010-07 Extremely Intense Not for the Faint of Heart Only Rod Harden bestselling author of the Slave Girl Trilogy could have penned this tale of piracy and women who are enslaved and ravished on the high seas It is the eighteenth century and ruthless James Skyles is among the villainous yet daring men known as buccaneers who make their living by the sword robbing merchant vessels of gold jewels and other booty But Skyles known as Captain Greenbeard has a specialty he targets ships transporting members of the fairer sex Then he swoops down puts the crew to the sword and abducts the women to be trained into total submission so that they can be sold as harem slaves Pity the unfortunate Ladies Margaret and Catherine returning to England from a visit to Barbados for they are about to become captives of the pirate Captain Greenbeard and his crew On board Skyles ship the two women subjected to cruel punishments and humiliations until they learn to serve his every command But is their captivity truly the evil fate it seems or is it actually saving them from an even worse fate Rod Harden's novels of bondage and domination are electrifying extremely intense an exhilarating journey erotic not for the faint of heart writes Fallen Angel Reviews **Pirates and Privateers** Joyce Glasner,2013-03-01 Murder mutiny and mayhem were the order of the day in the seas off the East Coast during the golden age of sailing Pillagers and opportunists plied the seas in search of riches in the holds of American ships And they invariably found what they were looking for *Captives in Obscurity* Joe Vasicek,2016-05-15 There is no escape beyond Star's End The deadliest pirates in the galaxy have stolen the technology that will transform it Now on the edge of known space they are poised to start an empire of their own Isaac and Reva are running out of time Neither of them knows the extent of Gulchina's plans or whether the madwoman will keep them both alive after she achieves them But an unexplored planet beyond the Far Outworlds holds an ancient alien secret that not even Gulchina has uncovered That secret will tip the balance in SONS OF THE STARFARERS BOOK V CAPTIVES IN OBSCURITY **The Pirate Captain Ned Low** Nicky Nielsen,2022-07-20 Edward Ned Low's career in piracy began with a single gunshot While working on a logging ship in the Bay of Honduras the quick tempered Ned was provoked by the ship's captain He responded by grabbing a musket and inciting a mutiny Then the London born sailor and a dozen of his crewmates held a council stitched a black flag and voted to make war against the whole world preying on ships

from any nation flying any flag Low's name became synonymous with brutality and torture during the 1720s as he cut a swathe of destruction from the shores of Nova Scotia to the Azores the coast of Africa and throughout the Caribbean Ned Low's life was one of failed redemption a thief from childhood who briefly rose in the world after moving to America only to fall again lower and harder than before He was feared even by his own crew and during his life on the wrong side of the law he became infamous for his extreme violence fatalistic behaviour and became perhaps one of the best examples of why pirates were classed in Admiralty Law as *hostis humani generis* the common enemies of all mankind

The Captive's Quest for Freedom R. J. M. Blackett, 2018-01-25 Examines the impact fugitive slaves had on the Fugitive Slave Law and the coming of the American Civil War
